## People Power Wins

The company which had been looking into the possible creation of a wind farm in the Goomburra district, east of Allora, has abandoned further action on the matter.

Wind Prospect Pty Ltd's Regional Development Manager, Michael Sale, told The Clifton Courier this week of the decision.

"We're not going to investigate it any further," he said.

Mr Sale said the decision was a direct result of the strong community reaction at a well attended public meeting in Allora last month.

He said the company did not have any plans for a wind farm development in the vicinity of Allora.

Mr Sale said Wind Prospect had conducted preliminary enquiries with landowners in the Allora area as part of a scoping phase.

phase.

The public meeting at the Allora Sports Club on the

14th of March had attracted close to 300 people and the issue was later raised in

State Parliament by Member for Southern Downs James Lister.

# Council responds to Allora Pool concerns

Southern Downs Regional Council is to address recent concerns raised by the Allora community regarding the 2024-25 management arrangements for the Allora Pool, following a decision of the Ordinary Council meeting on 13 December 2023.

Southern Downs Mayor Melissa Hamilton said the Allora Pool is considered an important recreational hub for the community and Council will work through the process to balance the mechanics of operating the facility with the community in mind.

"The Allora Pool is an important resource for residents and its management plays a crucial role in maintaining its accessibility and quality," Mayor Hamilton said.

"Current operator Andrew Fidge is very well respected in the local community and many people in Allora have contacted Council with their concerns about the arrangements for the 2024-2025 season at the Allora Pool.

"We as Councillors are listening to the community and we have asked Council staff to fully brief us on the proposal as it stands.

"As the briefing paper is being prepared, I hope that it will provide valuable insights to ensure the continued operation and success of this community facility.

"Council wishes to advise the Allora community that Andrew Fidge remains the pool operator up to the winter recess. The new season commences in September 2024, and this gives the new Council ample time to consider whether we should review the decision of the previous Council.

"We will keep the community updated on this matter and will endeavour to ensure that any review is completed in May so as to give certainty to both Andrew Fidge and the Allora community"

# Delays To Allora Community Hall Re-Opening

A previous report from Southern Downs Regional Council (SDRC) about Allora's Hall identified how the current wastewater is treated and disposed. The wastewater from the hall is disposed of to a septic tank located in the footpath, with an absorption trench in the road reserve. This is neither legal nor ideal from an ongoing maintenance perspective.

Since that update, Council has worked closely with the contractor and Council's Plumbing section to investigate possible solutions.

While looking to resolve this issue for the hall, further issues have also been identified.

The first issue relates to the Community Hall's occupation limits. When looking at the auditorium's floor area, it has been identified that the existing internal toilets don't meet the needs of the National Construction Code ("NCC") when it comes to the ratio of toilets required to maximise the building's occupation. This leaves Council with one of two (2) options – either reduce the building's

capacity or find a solution to increase the toilet numbers to ensure they meet the needs of the building when at capacity.

The second issue that has been identified is the current state of the external toilets on Muir Street. The external toilets on Muir Street that are often used as overflow for the hall currently sit within the road reserve (including the holding tank). This is not ideal. In addition, the current holding tank servicing the Muir Street toilets is too small, meaning the system is being pumped out more regularly, which creates both an inconvenience to users and an increased maintenance cost to Council.

As a result, Council is currently investigating a solution to address both issues, with the intent to allow the hall to be used at capacity, whilst ensuring the community is provided with external public toilets that meet our community needs. The solution would also ensure that the septic system installed is designed to cater for these maximum population limits, reducing the number of times it would

Back of Allora Community Hall where Muir Street toilets could be located.

need to be pumped out.

The solution currently being investigated is to remove the old Muir Street toilets and relocate them (a new set of modern, compliant toilets) onto the land adjoining the Community Hall (placing them behind the hall). The proposal would allow a system to be installed that is modern, compliant, and accessible, ensuring it meets the community needs and the legislation that currently exists.

The other issue this helps to resolve is the Community Hall's capacity, ensuring that sufficient facilities exist to cater for the needs of our community when this community hall is reopened and used at capacity.

While the Council appreciates this may mean a delay in the community hall's re-opening, the solution being investigated will ensure that the hall being delivered back to the community can be maximised, whilst also providing the best possible outcome for our community.

The SDRC apologises for this continued inconvenience of the hall and external toilets being closed, however, it's the Councils desire to ensure that this is done once and provides the best possible outcome.

# Anzac Day Allora - The Story

The first Anzac Day services were conducted at Allora in the year 1916 to honour the men who never came home from the First World War. Two services were conducted - one in the morning and another at night. Wreaths were laid at the Allora Cemetery by the Salvation Army.

At that time the inaugural chair of the Anzac Day Committee was W.J.T. Neale.

It was initially thought that 47 men from the Allora district were killed in the First World War however members of the Allora Historical Society discovered that 69 men never came home.

**1919** - a parade became part of the Anzac Day service.

**1928** - saw the Salvation Army conduct their first service at the Unnamed Monument, Allora Cemetery.

**1941** -The Queensland Police Service and the QCWA first laid wreaths and have continued the tradition to this day.

**1960** - the first Dawn Service was held and created a moving experience.

This year Veteran Des Donovan will be seen riding in a vintage car near the front of the parade.

Members of the public are welcome to attend Anzac Day Services at Allora on Thursday 25 April.

5.30am for the Dawn Service.

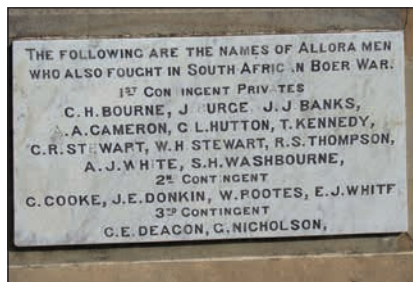

7.00am Gun Fire Breakfast

9.30am the Memorial Service at the Allora Cemetery

11am the Commemorative Service at the Cenotaph.

Always popular with the crowd is the Parade which marches from the corner of Herbert and Drayton Streets at 10.45am and finishing at the Allora Cenotaph in Warwick Street.

# Mayor To Officially Open Allora's Mural

After a community consultation meeting conducted in August last year locals were given the opportunity to throw around their ideas on what they'd like to see depicted on the Mural. Many suggestions were forthcoming with the artists Jordan and Steve taking on board the wishes of the people. Two designs were created giving the locals a chance to vote on their favourite. Voting was completed early January with over 940 votes submitted. The winner with 567 votes went with the parrot design.

Early March this year Allora's colourful Mural was completed.

This is a very special addition to the beauty of Allora so why not have an official opening of the Mural?

That's exactly what's happening on Sunday 5 May at 1pm during the Allora Autumn Festival.

The Southern Downs Regional Council has advised that the new Mayor Melissa Hamilton is available to officially open the mural.

Also in attendance on the day will be four of the new Councillors - Carla Pidgeon, Russell Wantling, Sarah Deane, Morwenna Harslett and Joel Richters.

Of course all locals and visitors are welcome to attend.

Steve and Jordan working on their masterpiece, while watched by interested local.

# Fletcher Griffin Biography Receives Top Award

Fletcher, surrounded by family, was presented with his State QATSIF Award at School on Monday.

Fletcher, who is a student at the Allora P-10 State School completed a biography on Aunty Flo Warson (QAM) in the "Yarning with our Elders" competition.

The Queensland Aboriginal and Torres Strait Islander Foundation (QATSIF), is a not-for-profit organisation that gives Aboriginal and Torres Strait Islander families increased education choices and life opportunities. Over the 2023 Christmas

holidays, QATSIF and their partners at the Australian Catholic University invited Queensland's First Nation secondary students to have a yarn with an Elder and Fletcher selected Aunty Flo.

Aunty Flo Watson OAM is an Elder, traditional owner and proud descendant of the Ghunghanghi People of Yarrabah with connections to the Magnetic Island peoples in North Queensland. She is a founding member of Reconciliation Queensland and was appointed by the

Queensland Premier as the first patron for Aboriginal Centre for the Performing Arts. In 2015 Aunty Flo received an Order of Australia Medal (OAM) for her service to Indigenous Communities. Aunty Flo works tirelessly and is highly respected as a proud advocate for truth telling, reconciliation, the Arts and education.

Fletcher chose to write about Aunty Flo's contribution to the Aboriginal and Torres Strait Islander

communities as an advocate for Reconciliation and about her contribution to supporting Performing arts. He was in awe of her determination and dedication to improving the lives of her people whilst managing her own trauma relating to the Stolen Generation. Fletcher's biography was awarded first place in the 2024 QATSIF Yarning with our Elders competition. This was an amazing achievement for Fletcher and a first for Allora P-10 State School.

## New Sponsor for Sports Club

The Sports Club is delighted to announce that Amy's Country Cafe has agreed to provide sponsorship of both the club's golf and bowls competitions. The golf sponsorship will be a monthly event with winners and runners-up both receiving a voucher to spend on a sumptuous breakfast, morning tea or lunch at the cafe. The bowls sponsorship will see Amy's Cafe join the weekly raffle board with all ticket holders having the chance to win a voucher for a meal or other delicacy.

Proprietors of Amy's, Montana and Jason are impressed with the Sports Club facilities and were particularly interested to learn that both the bowls green and golf course are used by the local schools for sports and cross country.

As part of their golf sponsorship, Amy's becomes sponsor of the 15th hole, taking over from the Allora Newsagency. The Sports Club thanks Dave and Zita for their support over so many years and wishes them all the best for the future, including we hope playing a lot more golf.

Montana from Amy's Cafe with John Ellwood, Secretary of the Sports Club.

## Norco resumes international exports

Australian dairy products from Southern Queensland and northern New South Wales are on their way to Japan, marking the first international shipment from Norco's Lismore dairy operations since before the Northern Rivers floods in 2022.

Australian authorities approved the shipment of around 20,000 tonnes of dairy products, including tubs of ice-cream, which left Brisbane on March 10

Agricultural Minister Murray Watt said it was a sweet treat for Norco and its farmers after working hard to restore the factory and make it more resilient for future weather events.

"International markets love Australian dairy, and a lot of livelihoods around the Northern Rivers and South East Queensland rely on Norco, so this first shipment after two years is an exciting step forward," Mr Watt said.

"Norco have been export-registered with the Agriculture Department since 1983, and DAFF have been working closely with the management team at Norco to get the co-operative export-ready.

"By working closely with our exporters, we can make sure that fresh, high-quality dairy products are getting out to markets across the globe, all while guaranteeing jobs in regional Australia."

Michael Hampson, Norco Chief Executive Officer said

for more than a century Norco has been operating as an Australian farmer-owned dairy cooperative, with 281 members on 188 dairy farms, employing more than 770 staff.

# Cowboys Retain Prestigious Basil Nolan Shield

In what will certainly rate among their highlights of the season, a 38 – 14 winning result saw the Cowboys hoist the prestigious Basil Nolan Memorial Shield on Saturday evening, an award that has immense meaning for the Warwick Cowboys club and Warwick district community.

The shield has been contested between the two Southern Downs clubs since it's 2019 inception, named in honour of highly respected Warwick Cowboys stalwart Basil Nolan Jnr.

A dominant second half was the key to the Cowboys overwhelming the Warriors in a seven try to three onslaught at Warwick's Father Ranger Oval.

Victory was sweet for the Warwick top grade line-up after their 12 – 22 loss against the Warriors in the recent pre-season Barrett Family Shield.

Coach Col Speed couldn't speak highly enough of his team's win, their second in succession after dispatching the Newtown Lions in their last start, before collecting valuable premiership points against Wattles.

A packed crowd saw the Cowboys undefeated in the Round 2 contests, finishing winners in first and reserve grade along with a hard fought Under 19 draw.

While Saturday evening's first-grade contest may have read a little one sided viewing the scoreboard, the initial forty minutes were anything but so.

Both sides put on a master class first stanza performance, a highlight their better than 90% completion rates that equated to some eye-catching league, it was certainly anyone's game at the break.

The second half was error

ridden for both sides in the early stages, the Warriors in particular struggled to put their match plan together, anything but on song as they folded under the Cowboys onslaught of size, speed and a precise kicking game.

The Warriors campaign was further hampered with the loss of centre Craig Donn and five-eight Kai Duggan to the sin bin in the 52nd and 58th minutes respectively.

Warwick galloped in four second half tries to skid away with the win, Wattles only four-pointer coming in the 53rd minute when a Tom Hatch kick found its way into five eight Kai Duggans hands to score.

**Warwick 38** (Tui Oloapu, Jake Speed, Nick Chapman, Joe Vite, Josh Robinson, Swithin Sakiki, Nick Carrie tries; Caleb Murphy 5 goals) defeated **Wattles 14** (Mitch Bourke 2, Kai Duggan tries; Braydon Paiz goal).

**Reserve Grade - Warwick 24** (Mitchell McMahon, Alifeleti Vite, Bill Sullivan, Chris Watt tries; Matthew Henry 4 goals) defeated **Wattles 16** (Tim Hentschel, Isaac Leach, Aiden Suhan tries; Tom Morris 2 goals).

**Under 19 - Wattles 22** (Hamish Gartery, Bryce Stewart, Will Sheppard, Paul Costello tries; Koby De Luca 3 goals) drew with **Warwick 22** (Codie Johnson, Isaiah Hinch, Lachlan

Collins, Lucis Taualai tries; Sam Wainwright 3 goals).

**Round 3** - Top grade coach Travis Burns will have his Wattles line-up fully focused in this week's preparation for another major confrontation, this time against the Valleys Roosters at Platz Oval, Clifton.

While Wattles are looking to return to the winning circle, the Roosters will be keen to post their first win of the season after their first-round contest against the Highfields Eagles was washed out, and then a convincing 24 – 8 loss to Gatton last Sunday.

**A Footy Super Saturday** - Saturday will be a massive day of rugby league at homeland Platz Oval.

Prior to the senior rugby league program Wattles Junior Rugby League Club commence their 2024 Warwick & District Junior Rugby League premiership campaign against the Tenterfield Tigers.

**Greats of 2004 Reunion** - Saturday's expected packed crowd will also include 'the Greats of 2004', yes, every player who ran on in Wattles A, Reserve & Under 18 teams that year, along with the members of the 2004 Wattles Juniors Under 16 team, winners of the Warwick & District Junior Rugby League Premiership.

Glyn Rees

# Allora Bowls Notes

**ROUND 11** - At last the Autumn weather is upon us as it turned out to be a cool night.

Again we had a drawn game this time between The Three Stooges & Beers, Bowls & Bitches & again with even ends, so a pick of numbers from the tin making B, B & B becoming the winners. It was a very close game with scores of 1 or 2 each end throughout the game. In another hotly contested match Phoenix Rising were leading 13-6 against Cool Cats with Cool Cats then scoring a 6 & 4 on the last 2 ends to win. On Rink 5 Doesn't Matter were leading 13-6 on end 9 with Stone Cutters then winning the next 4 ends to win.

Results – **RINK 1:** The Three Stooges 9 draw Beers, Bowls & Bitches 9;

**RINK 2:** Gina's Babies 36 d. What A Show 2; **RINK 3:** Cool Cats 16 d. Phoenix Rising 13; **RINK 4:** Do It Again 14 d. Spring Creek 8; **RINK 5:** Stone Cutters 16 d. Doesn't Matter 13; **RINK 6:** Peaky Blinders 18 d. The Gecko's 3; **RINK 7:** Generation Gap 19 d. Pig Lures 8

Lucky toucher winners - Slug, Roanne, Kate, Russ, Barry & Denis.

Lucky raffle winners – Denis x 2, Mick, Tracey, Ryan & Kev.

Winners on the night – Cool Cats and Losers – Pig Lures.

Thank you to our sponsors Allora Butchery, Allora Sports Club, Railway Hotel, Right 1st Time Cleaning and Millstone Group. We also welcome as a new sponsor for our raffle, Amy's Country Café who are donating a dining voucher.

With only two more weeks of competition before the end of the season, enjoy your game whether you are winning or losing, that's why it's called social bowls. See you next week for Round 12.

# Allora Golf Notes

# National Record For Matthew

Matthew Denny at the Athletics Championships in Adelaide. (image - Athletics Australia)

Matthew Denny thrilled the crowds at the Australian Athletics Championships held in Adelaide over the weekend.

Producing his best effort, Matthew threw a huge 69.35 metres which added over one metre to his previous top throw and creating a

National Record. This has sealed his selection for the Paris Olympic Games, being one of the first 14 athletes to be named.

Congratulations Matthew - Allora will continue to eagerly follow your exciting journey.
