New Bridge For Allora Golf Course

In late 2022 the Allora Sports Club received \$179,974 in grant money to be used in part for building a new bridge to access the Golf Course.

This original bridge has born the brunt of many floods over the past 26 odd years and while it is serviceable it will continue to deteriorate with continued flooding. Funding was allocated by the Queensland Government Community and Recreational Assets Recovery and Resilience Program. The other part of the funds have been used for drainage and repairs to creek banks and creek washouts.

Today, 1st May, sees the start of construction of the new bridge, near the 9th green.

Golfers are advised that access to the golf course will be through Stuart Henry Park, across the bridge on the 9th fairway.

The bridge will be closed until further notice.

It's the last time you'll see this bridge.

If you'd like to join the group on their garden visits, you'll be made most welcome.

To travel with the group please be at 1 Drayton Street Allora by 9.15am.

Special Anzac Service At Goomburra

This year the Goomburra Town Hall recently constructed Memorial Garden was the nucleus for the Anzac Day Service.

Although numbers were small it was a touching service presented by Jenny Newton and Mary-Lou Gittins OAM.

A wreath was laid by Slade Wolf on behalf of the attendees. The Memorial Garden at the Goomburra Town Hall was made possible through the "Saluting Their Service" Commemorative Grants Program 2022-23 from the Australian Government.

Mouse Activity Detected On The Darling Downs

The Grains Research and Development Corporation (GRDC) and CSIRO are urging growers and advisors to be vigilant due to reports of moderate to high mouse activity in several regions across Australia.

Mouse numbers are generally low in most areas, but moderate to high mouse activity is being reported in pockets of the Darling Downs.

CSIRO mouse researcher Steve Henry said now is the time for growers and advisors to actively monitor mouse activity.

"Moderate or high mouse numbers are a concern for this time of year due to it coinciding with the seeding of winter crops, which is when significant economic damage can occur," Mr Henry said.

"Given the favourable conditions across many areas, mice have been breeding through summer and autumn, with numbers expected to peak in April-May.

"Because of that, and because of patchy activity

across paddocks, growers are advised to monitor multiple paddocks to gauge mouse numbers to inform management decisions over the coming weeks."

CSIRO researchers have identified some areas in Australia with moderate to high mouse numbers and are encouraging growers to actively monitor for the pest now.

- Actively gauge mouse numbers by walking through paddocks; utilise mouse chew cards and active burrow counts to gauge mouse presence and activity. Mouse chew cards can be ordered from GRDC on 1800 11 00 44 or ground-cover-direct@canprint.com.au.

- If mice are present at sowing, bait at, or as soon as possible after sowing, to prevent damage to the freshly sown crop;

- Talk to bait suppliers early to ensure timely supply. As with use of any agricultural chemical, use the product in accordance with the label, and report any adverse or off target effects

via the APVMA website;

- Growers should be aware that only baits containing 25 g/kg zinc phosphide (ZnP) are currently available as the Emergency Permit for baits containing 50 g/kg ZnP has lapsed, and this is no longer available.

- **MouseAlert is a free resource.** For farmers, grain producers, Landcare groups, and biosecurity groups. Anyone can use MouseAlert to record information about

mouse activity in farm environments. The more information you record, the more useful MouseAlert will become for detecting changes in mouse activity across your region, which can help predict and prepare for plague events.

A COINCIDENCE? - A local was driving south into Allora on Thursday morning for the Anzac Day service. This vision appeared over Allora and was quite remarkable looking very much like the "Rising Sun." The distinctive shape of the Rising Sun badge, worn on the upturned side of a slouch hat, is commonly identified with the spirit of Anzac.

Nicko Steers Warriors to Ryan Shield Success

Wattles Nick Van Der Poel ran in a hat trick of tries on Sunday in a player of the match performance, a key component in the 'Stillwater Pastoral Company' Warriors walloping 50 - 8 victory over the Brothers Leprechauns.

The result that featured nine Wattles' touchdowns secured a pair of Toowoomba Rugby League premiership points and saw the Ty Gardner skippered Warriors retain the prestigious Dan Ryan Memorial Shield twenty years since its 2005 inception.

The Shield was presented by All Whites (Brothers) legend Mark Barrett who played a leading role in its introduction in memory of Dan Ryan two decades back.

Dan played 113 games for All Whites A Grade team, Mark 116, making them both club centurions.

Chris Ryan thanked both Wattles and Brothers Clubs for their ongoing support for the Shield on behalf of the Ryan Family.

Wattles' coach Travis Burns rates Nick Van Der Poel one of his most consistent doers, week in week out.

The courageous lock forward emerged from local league nursery Wattles Junior RL Club, before eventually stepping up to an A Grade debut in 2018.

The 2019 season saw the then young centre gain selection in the Central Division Regional Queensland Under 20 line-up capping off an inspiring season, before playing a significant roll in the Warriors 2022 TRL premiership win a couple of seasons later.

Coming in to Round 4, Brothers were striving to add to their single success against Southern Suburbs back in their season opener, and certainly put it to the Warriors who never had it all their own way in the early stages of the feature clash on Sunday.

Indeed, while those in green and gold oversaw a more than commanding advantage at full time, the completion of the initial forty minutes saw them holding the Leprechauns at bay by a slim 12 - 8 margin.

It was Wattles' scrum back end in Van Der Poel and Tyson Stevens who ran in those first green & gold tries, and while Brothers centre Riley Wockner and second-rower Simone Ata levelled the touchdown ledger, two Brayden Paix conversions shunted the Warriors ahead marginally.

Brothers never bothered the scoreboard attendant again sadly, and when Van Der Poel crossed for his second four-pointer early in the second stanza it opened a seven try floodgate through a column of try scorers including a third by Van Der Poel, a double by Tom Hatch, centre Andrew Richardson, Brayden Paix and in-form winger Mitch Bourke for the Warriors to gallop home to victory, and escort the Dan Ryan Memorial

Shield back to Clifton for a seventh consecutive season.

Wattles took the field without star duo of halfback Matt Duggan and injured fullback Jackson Green, while concerns abound after skipper Ty Gardner left the field after 25 minutes with a leg injury.

Coach Travis Burns was particularly happy with how his team lifted from the second stanza commencement, their defence, ball movement and completion rate all providing too much fire power for Brothers.

Wattles backs half Brayden Paix, centre Matt Christensen and fullback Joe Willett also shone in a sterling Warriors performance, as did busy hooker Tom Hatch.

Brothers were reduced to twelve for the final 23 minutes after bench player Phillip Waters was sent-off.

The win over Brothers has Wattles on the third rung of the Hutchinson Builders A Grade premiership ladder, trailing the undefeated Warwick Cowboys and the Gatton Hawks.

The Hawks and the Warriors play off this Sunday at Gatton's Cahill Park in a vital contest for both, with Wattles top team mentor Burns hoping he can assemble his best seventeen to head to the Lockyer.

Wattles 50 (Nick Van Der Poel 3, Tom Hatch 2, Andrew Richardson, Tyson Stevens, Brayden Paix, Mitch Bourke tries; Brayden Paix 7 goals). **Brothers 8** (Riley, Wockner, Simone Ata tries)

Reserve Grade - Wattles 'Farm Spray' reserve grade side put together a stunning

performance to overwhelm Brothers more than convincingly 62 - 12 after establishing a 44 - 0 half time lead.

The Coach praised his line-up endlessly after a superb effort, that saw front-rower Tim Exelby and halves Josh Henry and Tom Morris shine in the teams second win from four outings this season.

Wattles 62 (Tim Exelby 2, Aiden Suhan, Dan Rub, Tom Morris, Zac Stevens, Jordan Henry, Tom Duggan, Garth Lonergan, Paul Christensen, Damien McDonald tries; Tom Morris 8, Alex Morris goals). **Brothers 12** (Tremaine Withers, Paul Hinch tries; Hayden Campbell 2 goals).

Under 19 - The Cameron Hamblin coached 'Black Toyota - Warwick' Wattles Under 19's locked in to fifth place on the TRL premiership ladder after posting a second win of the season along with a draw against Valleys last week.

The Warriors snatched a 24 - 12 win over Brothers after leading 12 - 8 at the break.

Players at the forefront of Wattles success included back-rower George Nott and Reuben Sullivan and half Hamish Gartery.

Wattles 24 (Jack Phelan, McCabe Miller, Jack Wright, Bryce Stewart tries; Koby De Luca 3, Bryce Stewart goals). **Brothers 12** (Sam Sheppard, Dane Nilsson, Jackson Bell tries).

Match Program Sunday 5th May, Cahill Park, Gatton - Wattles Warriors v Gatton Hawks - Under 19 - 11.30 am, Reserve Grade - 1.00 pm, A Grade - 2.30 pm

Warriors Lawson & Tommy Pocket Junior Footy Awards

Wattles Junior Warriors hosted country cousins the MIT Jets on Saturday, the club that plays such a great role providing footy for the youngsters of the Millmerran, Inglewood & Texas regions.

The clubs ran on in Under 6, 7, 8, 10, 11, 12 and 15 League Tag.

"It was a great day of junior league at a great facility and ideal weather" smiled Wattles President Aaron Gilmore, an opinion shared by all his hardworking committee and dedicated volunteers.

Railway Hotel - Allora Under 8 - Many congratulations to emerging player of the future Lawson McPherson who was rewarded with a milkshake voucher sponsored by The Jam Factory as a result of his outstanding performance and sportsmanship during the Under 8 game.

The Wattles verses Jets match was full of excitement due to their evenly matched skills.

"It's great to see the Wattles' team progressing and playing well together, showing improvement since last year" said coach Jared Gault.

Black Toyota - Warwick Under 10 - Wattles Under 10 mentor Chris Ryan was more than happy with his team's first game of the new season, which resulted in a convincing ten tries to two positive outcome against the Jets.

The young Warriors were very enthusiastic and keen to play on the main Platz Oval surface for first time.

While Coach Ryan recognised a fine team effort overall, Tommy Saville was very impressive collecting the Cracker Jack Chicken Man of the Match honours.

Clifton Auto Ag Repairs Under 11 - William Visser was a well credentialed Man of the Match for the Under 11 Warriors against the Jets, highlighted by some huge go-forward and a mighty try saving tackle.

Another impressive performer was Malakai Darlington, what about that eye-catching length of the field run away try.

Also excelling against the

Jets with strong physical runs and solid defence was Liam Hoey in a display of his best form.

Ryanie For Tyres Under 12 - Jackson McMillan racked up three touchdowns in a sensational effort inspiring the Warriors Under 12's to a dominant victory over a scantily crewed Jets line up.

Jacko's length of the field touchdown from his in goal to touching down under the Jets posts was a highlight of the contest.

Adam Butler was another to shine along with Dusty May, while Malea Moore improves with every game.

It was a big day out for young Theodore Carlile, running on in his debut game of rugby league.

All in Electrical Under 15 Girls League Tag - According to Coach George Berry his Wattles Under 15 girls league tag team

played an entertaining game where the result could have gone either way.

Wattles went to the halftime break leading after tries by Teeah Davis and Olivia Brady.

The second half saw the Jets girls hit the afterburners running in three tries to nil to snatch the match 16 - 10.

"There was a significant improvement across all aspects of the Wattles girl's game, and they will take a lot of confidence out of the narrow loss."

Warwick & District JRL Round 3 - Wattles Juniors are Goondiwindi bound on Saturday, taking on the junior Boars, the former club of the NRL and Newcastle Knights latest star Davy Armstrong, in Under 6, 7, 8, 9, 10, 12, 13, 15 & 17 and 15 Girls League Tag at Gilbert Oval.
