## Remembrance Day In Allora

Wreaths laid by David Goodall (Spurs) and P-10 Students Zac and Will - followed by Pastor Dan Bosshard.

The 11th hour of the 11th Day of the 11th month marks the anniversary of the Armistice Agreement which ended the First World War. At the Allora Memorial Park on Monday 11 November service personnel, school children and members of the public paused in silence to remember those men and women who have died or suffered in all wars, conflicts and peace operations.

The Allora RSL Sub Branch conducted the Remembrance Service with President Mike Timmer officiating. (*more photos page 4*)

### Allora Loses Popular Identity

Well known businessman and friend to all - John Denny passed away on Thursday 7 November.

A celebration of John's life will be held at his favourite place, the family home 'Karajon'. Dennys Road Allora, with a service commencing at 9.30am on Friday 22nd November.

Full details appear on page 13 of this week's Allora Advertiser.

### Letter to the Editor...

On behalf of my committee we wanted to provide all our donors, supporters and the Allora and district community an update on the Museum expansion into the Library space.

Firstly, we would like to express our sincere gratitude to Mayor Melissa, Deputy Mayor Sheryl, Cr Carla and council manager, Michael Bell.

Recently members of our committee, along with Doug Partington, met by arrangement with Deputy Mayor Sheryl, Cr Carla, the Acting CEO and council manager to discuss options to fast track the Museum's expansion.

When the meeting was organised we imagined Mayor Melissa would be the Chair along with other relevant Councillors.

I apology that I mislead Doug by telling him that the Mayor would be present. The Mayor offered her apologies at the beginning of the meeting and was then dutifully chaired by Deputy Mayor Windle who was very supportive of our needs and requests.

Without our donors the Allora Sports Museum would not be in the position it is today and 26 years since foundation.

Doug's extremely generous offer of lending his historic car to the Museum is one such gesture by a loyal supporter.

We are pleased the expansion is progressing and know that working together with Council is the way forward. Every day we are one day closer.

We will continue to provide regular updates through the Allora Advertiser.

Thank you all for your interest in seeing the best regional sports museum in Australia being able to exhibit our hidden gems.

Perry Cronin  
President  
Allora Regional Sports Museum

## Allora Police Report

**Community contact of Allora Police** - Just a friendly reminder to all our locals, that Allora Station is only a 2 Officer Station. We do perform shift work, weekends and attend callouts to serious matters after hours. At least one of us is working and on-call, to cover this area 7 days a week, all year around. Because of this, the office cannot be open at all times though.

For Police contact when the station may be closed, call "000" if it is serious and/or urgent requiring an immediate Police attendance. If less urgent, 131 444 is Policelink which is a staffed phonenumber that will be answered to determine the appropriate Police response.

The Allora Station number is (07) 4666 3222. Please be aware that if a call to this number isn't picked-up by us directly, it goes through to an answering machine. It does not divert to Officers. The message will be picked up only when we return to station which may be that day, or the next depending on when you call.

That number is best used for general inquiries, to make an appointment, or generally if you can to wait to be called back.

**Weapons licensing matters** - The Qld Weapons Licencing Branch generally now, send out information to weapons licence holders via email. We would urge you to make sure your contact details with Weapons Licensing - phone, address and email - are up-to-date please. It also requires the licence/firearms holder to regularly check their emails and correspondence.

We have had a number of instances in recent times when licences have expired because the licensees have missed or not read renewal notices sent out at all, or in time. This then becomes stressful while the holder has to place their weapons into storage with others, and a little more costly because it then involves a new licence application fee and not just a renewal.

Please check your licence expiry dates and get your paperwork in early.

Thanks and regards,  
Damian F. GRACE

## Important Council Work Underway In Muir Street

Southern Downs Regional Council is currently replacing an old water main on Muir Street, Allora.

A spokesperson from Council said "This new water main will help minimise service interruptions and ensure a more reliable water supply for Muir Street and surrounding areas.

Council appreciates the community's patience as staff work to complete these

essential upgrades." Motorists need to be aware and take care while this activity is happening in Muir Street.

# It's National Recycling Week - Let's Get Creative

Southern Downs Regional Council is on the lookout for young waste warriors to design the region's next recycling-themed artwork!

During Planet Ark's National Recycling Week (NRW) from 11 - 17 November, Council invites budding artists to grab their colouring pencils, paints and crayons to create a masterpiece that could be featured on Council's very own waste education reusable bags.

This year's NRW theme, Join the Cycle, is all about inspiring communities to up their recycling game and adopt sustainable practices.

Council's waste education mascot, Sort-It Sally, is eager to see what recycling means to the region's next generation of eco-heroes.

"As a community, reducing unnecessary waste is crucial for extending the life of our landfill," said Sort-It Sally.

"From reducing waste to repairing and reusing, there's no limit to the ways we can make a positive impact towards a greener future.

"Through Council's waste education program, Let's Sort It Out, Southern Downs!, we're showing kids the sustainable impact of recycling.

Council's waste education mascot Sort-It Sally and Councillor Joel Richters present last year's competition winner Abby Halter from Killarney Primary School with a reusable bag featuring her recycling-themed design. Credit SDRC.

"During National Recycling Week, we're calling on our young artists to bring their recycling ideas to life! So, don't miss this chance to showcase your creativity and eco-consciousness."

Draw a picture that shows what recycling means to you and celebrate Planet Ark's National Recycling Week with us! Competition is now open and closes Sunday 17 November 2024.

More information and entry forms are available online on Council's website.

Sort-It Sally is also encouraging students to think about the everyday waste they generate and how to divert it from landfill.

"With 50% of our household waste coming from organic sources, we're educating students on ways to reduce food waste with worm farming, composting and waste auditing."

In support of NRW, Council is also participating in the Garage Sale Trail, held nationwide on 16-17 November. There are 31 local sales already registered in the Southern Downs, and Council's Warwick and Stanthorpe Recycle Endeavour Shops are also participating. Head to [www.garagesaletrail.com.au/Southern-Downs](http://www.garagesaletrail.com.au/Southern-Downs) for more information.

**2024 STRATEGIC PURCHASE OF WATER RIGHTS TO BRIDGE THE GAP IN THE NORTHERN MURRAY-DARLING BASIN**

The Australian Government, represented by the Department of Climate Change, Energy, the Environment and Water, is seeking to purchase an estimated 13.57 gigalitres per year (GL/y) of permanent surface water rights in two catchments in northern New South Wales and southern Queensland to help bridge the gap to sustainable diversion limits in the Murray-Darling Basin Plan.

The tender process is closing soon. Submissions will be accepted until 12 noon (AEDT) on Wednesday 13 November 2024.

Eligible catchments and recovery targets:

State	Catchment	Recovery Target
Queensland	Condamine-Balonne:	8.48 GL of surface water
New South Wales	NSW Border Rivers:	5.09 GL of surface water

Willing water rights owners in catchments listed above can submit a tender response to sell their permanent surface water rights as part of this tender process. Detail on the types of water rights being sought can be found in the Approach to Market on AusTender. The decision to participate is completely voluntary. To read the Approach to market and submit a tender, please visit AusTender – [www.tenders.gov.au](http://www.tenders.gov.au) – and search for 'water rights purchasing'.

**MORE INFORMATION:** For more information on Strategic Water Purchasing to Bridge the Gap, visit [www.dceew.gov.au/watertender](http://www.dceew.gov.au/watertender)

# Christmas at Goomburra

Celebrate the magic of a country Christmas at the Goomburra Annual Town Hall Christmas Party on Saturday 23rd November.

Entry is free and the grounds open at 5.30 pm. Kick off the evening with family-friendly entertainment, including classic children's games and festive music from the Warwick City Band at 5.45 pm. Sing along with Christmas carols in the hall and look out for Santa's grand arrival around 7.00 pm.

The Goomburra Town Hall (GTH) volunteers will fire up the Barbecue for a true country feast, offering steak burgers with all the trimmings and sausage sizzles for the kids. The bar will also be open to keep spirits high.

Be sure to take along a small, wrapped Christmas gift to the value of \$10 for Santa's bag so he can

surprise each child with a present.

This event is also a chance to support the community as these fundraisers help to cover the hall's insurance costs.

Local support is always greatly appreciated.

The Hall Committee and locals will also be celebrating the Foundation for Rural and Regional Renewal grant which enabled the GTH to go solar with generator and batteries for disaster management.

The community grant from the Southern Downs Regional Council was appreciated as it provided funds to purchase solar security lights, more wine glasses, serving plates and other items which will enhance the kitchen. It is only through these grants that the GTH can improve and maintain the icon hall which is the perfect spot for your Christmas business or family gatherings.

# Carbon And Emissions

Hermitage Research Facility is conducting a workshop to discuss how to reduce emissions and improve mixed livestock and grains business. The workshop will help you make informed decision about carbon sequestration and emissions reduction strategies. Topics covered will include - Carbon sources and sinks in mixed livestock and gains systems; Emission base-lining and what data will you need to complete an account; Reducing emissions on farm Carbon projects and the associated legalities; Market signals and is the market ready for carbon-reduced

products?

Hear from experienced facilitators: Josh Peart (Grazing Scientist), Mandy Christopher & Barbara George-Jaeggli (Grains Researchers).

The workshop will be held on Thursday 28 November from 9am - 4pm at the Hermitage Research Facility, 604 Yangan Road Warwick. There's no cost and lunch and smoko will be provided.

RSVP: Thursday, 21st November 2024 or register via QR code

# Fatal traffic crash, Southern Downs

The Forensic Crash Unit is investigating a fatal single-vehicle crash in the Southern Downs on Monday afternoon, November 11.

Just after 2pm, a yellow Ford Falcon was travelling on Washpool Road in Leslie Dam when it left

the road, crashed into a tree, and caught on fire.

The driver and sole occupant of the vehicle, a 17-year-old Warwick boy, died at the scene.

Investigations into the circumstances surrounding the crash are continuing.

The Forensic Crash Unit is appealing to any witnesses or anyone with dashcam vision at

the time of the incident to come forward.

If you have information for police, contact Policelink by

providing information using the online suspicious activity form 24hrs per day at [www.police.qld.gov.au/reporting](http://www.police.qld.gov.au/reporting) or call 131 444.

# Update On Allora Sign

Our local historian Colin Newport has advised that, in fact, the faded sign read –

“ALLORA EST. 1859”

1859 was the year that Allora was surveyed as a town. The first Government

land sale took place on the 5th March 1860. The year 1869 refers to when Allora was gazetted as a municipality but by then the town and people had been there for nine years.

# Magic Of Small Towns

Join the Southern Downs Libraries for a free afternoon with acclaimed Warwick author Susan Mackie, whose small town romance and women's novels have captured the hearts of readers everywhere.

Susan will share her inspirational journey from a young booklover to a published author with eight celebrated novels, including her latest release, The Barrington Book Club.

The book invites readers to follow small town characters through a year of monthly book club meetings, each featuring discussions on real books by Australian authors—a unique twist that has drawn in readers and helped forge new connections in her readership community.

Fans and aspiring writers will have an opportunity to learn from Susan's diverse career and writing insights.

Susan Mackie.

This event will be held on Thursday 28 November from 2pm – 4pm at St Mark's Anglican Church Hall, Warwick.

There is no cost however RSVP is essential.

# The Spirit of the Bush on Showcase

Kellie Craft - Sunset at Pittsworth - Golden hour. One of the winners of Rural Aid's Spirit of the Bush Competition.

The rugged beauty and vibrant community spirit of local Australian communities are highlighted in the winning photos of Rural Aid's Spirit of the Bush competition.

Now in its fifth year, the Spirit of the Bush photography competition received over 450 entries, which were narrowed down to sixteen winning photographs. Each winning photographer will receive a \$250 pre-paid VISA card and have their photos featured in Rural Aid's 2025 Spirit of the Bush calendar.

Rural Aid Chief Executive

Officer John Warlters noted that the quality of submissions reached new heights this year.

"It was a challenging task to select the photos for next year's calendar," he said.

"Australia's agricultural industry encompasses a diverse array of landscapes, practices, and communities, so it was essential for our calendar to vividly portray these stories and locations."

Mr Warlters encouraged the public to support farmers by purchasing the calendar, as all proceeds will go to Rural Aid.

"By buying this calendar, you'll not only enjoy 12 months of stunning imagery but also provide much-needed assistance to our mates in the bush," he said.

"As Australia's most trusted rural charity, Rural Aid stands by our farmers, offering life-changing disaster relief, fodder and water supplies, and mental health services. Our farmers play a crucial role in putting food on our tables, and purchasing a Spirit of the Bush Calendar is a simple way to say thank you."

The 2025 Spirit of the

Bush Calendar is available for pre-order on Rural Aid's website at <https://shop.ruralaid.org.au>

Rural Aid is Australia's most trusted rural charity. They stand with our farmers when they need it most. Rural Aid provides critical support to farmers affected by natural disasters through financial, wellbeing and fodder assistance. Rural Aid's community programs help create more sustainable communities by building stronger futures for all Australian farmers. Find out more at [www.ruralaid.org.au](http://www.ruralaid.org.au)

# PALM Ag Worker Numbers Down

The number of Pacific Australia Labour Mobility (PALM) workers in agriculture has fallen by more than 20 per cent, from 21,915 in July 2023 to 16,705 workers in September 2024.

Leader of The Nationals and member for Maranoa David Littleproud said the Senate Estimate figures revealed Labor's changes to the PALM Scheme Deed and Guidelines in July 2023 made the scheme unworkable and had failed farmers.

One major change was going to force a paid minimum of 30 hours a week, every week. The Government backflipped in May 2024 to enable 120 hours to be guaranteed but averaged over 4 weeks until 1 July 2025.

There is still no certainty for farmers or industry going forward what the rule will be.

Mr Littleproud said as a result of Labor not understanding the agriculture industry, with agricultural work being

seasonal and weather-dependent, farmers had simply hired fewer workers.

"Labor's changes to the PALM Scheme have been disastrous for farmers and industry because Labor made it unworkable and unrealistic," Mr Littleproud said.

"The importance of the PALM Scheme to a thriving Australian agricultural sector cannot be overstated.

"Historically, the PALM Scheme has helped to fill labour gaps in rural and regional Australia by offering employers access to a pool of workers.

The money sent from Pacific workers in Australia to their families back home makes up a significant amount of GDP locally and is helping families and whole communities. It contributes to raising standards of living and better health and education outcomes for our neighbours.

Farm workers are important to our farming region.

# Allora Bowls Notes

**ROUND 10** - Not sure if it was the stormy weather or Melbourne cup celebrations that kept them away, two teams forfeited on the night but luckily they were playing against each other. A few surprise results with Pig Lures going down to Do It Again and Phoenix Rising winning over Gina's Babies. It now puts Pig Lures & Doesn't Matter on top of the ladder again with 16 point, a game to watch will be Round 12 when these two teams clash. Not naming names but could score cards please be handed in after your game is finished.

**RESULTS - RINK 1:** Stone Cutters 11 d. Got Ya By The Bowls 10; **RINK 2:**
