

Allora Butchery has won the 1st place trophy in the Poultry section of the Sausage King competition state finals at the Ekka on Sunday 8 August, with their "Chicken, Cheese and Chives" sausage. Pictured is Judge Julie Read (McCormick Foods) presenting trophy to Grant Lollback of Allora Butchery. Blake Lollback holds the blue 1st place ribbon.

Competition sizzles as Allora Butchery wins at state Sausage King final

The 2010 Queensland Sausage King competition at Ekka on Sunday 8 August judged the best 42 snags from a field of more than 800 entries that competed this year in regional competitions all over the state. Run by the Australian Meat Industry Council as part of the Royal Queensland Food & Wine Show, sausages were judged in six classes: Traditional Australian, Traditional Australian Pork, Poultry, Australian Lamb/Open Class, Continental, and Gourmet/Open Class, with Allora Butchery taking out the Poultry Class.

The competition takes the top six snags from seven regions: North and South Brisbane, the Gold Coast and Hinterland, Sunshine Coast and Burnett, Capricorn and Tropical Regions, and the Outback, and sends the winners to the National Titles – Tasmania, 2011. Queensland took home three National titles at the National Sausage King competition in February this year on the Gold Coast.

The Sausage King competition is strongly supported by the AMIC, the meat industry who supply ingredients and equipment, and the butchers themselves who travelled from all over the

state to attend the finals - who see this as serious business, with sales and reputations at stake. Gail Butler from the AMIC is one of the driving forces behind the competition, "The Sausage King competition represents a remarkable journey for our sausage manufacturers. It started off 12 years ago as butchers talking in a country town, and just got bigger. Now it's amazing how many independent butchers have taken to it... they put flavours into sausages I never thought you could - it's fantastic".

For the regional finals, the same team of judges travels the state to ensure consistent results, headed by long-term chief judge Alan Rowan, who recons a good sausage "...uses fresh products, is made with good equipment, and is properly mixed with seasoning or flavourings."

The meat the sausages for the competition contain must be 100% as labeled. Next, they are judged on appearance, cut open to see if they have been evenly mixed, and when cooked they must not shrink or break apart. Finally, an individual snag is sliced up for tasting by the panel of three judges, all drawn from industry sponsors.

Errol Rees of Kerry Ingredients was the expert cook who kept the snags turning all day, "The important thing is to cook them slowly on medium heat. If you put a cold sausage onto a hot surface they may expand and break. They must be turned regularly and evenly. You don't want to prick them to release liquid, as it is that fat and water that carries the flavour of the meat."

Local culinary identity Peter Howard MC'd the Sausage King state final, "Now it is an artform, when you look at the sausages being made by our butchers ... and independent butchers must have that integrity if their customers are going to keep coming back ... by supporting these butchers you are supporting agricultural excellence."

Alison Alexander, broadcaster and foodie turned out three fabulous dishes featuring premium sausages for the audience to taste as the judging took place, passing on great ideas for meals that are easy to prepare, nutritious and delicious.

The winners:

Poultry - Allora Butchery, Allora, for their "Chicken, Cheese and Chives".

Beef - Trinity Beach Quality Meats, Trinity Beach (north of Cairns).

Pork - Zac's Meats, Bundaberg.

Lamb - Kingwood Park Butchery, Gold Coast, for their "Lamb, Feta & Shallots".

Continental - Circle T Meats, Raceview, Ipswich, for their "Spanish Chorizo".

Gourmet - Terry Orreals Quality Meats, Brendale, Brisbane, for their "Beef Curry & Onion".

Applications open for 2011 apprentice intake

Ergon Energy has renewed its commitment to building trade skills in the regions, with more than 60 apprenticeships on offer for 2011.

Twelve of the apprenticeships are being offered in South West Queensland with the successful applicants to be based at the Toowoomba, Warwick, Stanthorpe, Dalby, Chinchilla, Wandoan, Tara, Roma and Quilpie depots.

Advertisements for the 2011 intake will begin this weekend (Saturday 7.8.10) in regional newspapers with 63 apprenticeships being offered at 40 locations across the state. The apprenticeships on offer include Electrical Powerline Linespersons, Electrical Transmission Linespersons, Systems Electricians, Communications Technicians, Mechanical Fitters and Sheet Metal Workers.

Manager Regional Services Dave Heberlein said apprentices were a key component of the Ergon Energy business and were essential for ensuring the business has the right skills for the future.

"Over the next five years, Ergon Energy will spend a record \$7.5 billion on upgrading, expanding and strengthening its electricity network across Queensland," Mr Heberlein said

"To ensure this work is carried out we need to ensure we have an appropriately skilled workforce and that is why we are so committed to training new apprentices each and every year."

The Ergon Energy apprenticeship program has a retention rate of around 98% and there are currently about 290 apprentices within the 4500 strong Ergon workforce.

"This not only demonstrates the commitment Ergon Energy has to the apprenticeship program, but also the quality of the program we offer," Mr Heberlein said.

Ergon Energy is an equal opportunity employer and invites applications from all sectors of the community.

Applications close at 9am on Monday 30 August. For more information visit ergon.com.au or call Ergon Energy Careers on 1800 656 810.

August is Pet Desexing Month

A de-sexed and microchipped pet is an ideal way to promote responsible pet ownership. Not only are they cheaper to register with council, they can also give mean peace of mind for their owners as well.

A de-sexed pet is less likely to wander, attract other dogs and develop certain tumors later in life. Stray and lost pet numbers can be reduced by having a microchip inserted under the skin so that lost animals can be identified faster and re-homed more easily Allora vet, Dr Gilmore said.

As part of our ongoing support for the Allora and Clifton communities, the Allora Veterinary Clinic is offering a discount on the price of microchipping when you have your cats and dogs desexed during the month of August.

"Pet owners can receive a free microchip (valued at \$50) for each cat and dog, castration or spayed, said Dr Gilmore.

"The response to the August desexing last year was very encouraging. Owners made a conscientious decision to prevent the increasing number of unwanted pets in the community and have taken advantage of

Letter to the Editor...

Dear Editor,

As I travel around the vast electorate of Maranoa, which I have the privilege of representing in the Federal Parliament, one issue has risen above all others as vitally important to the people of western Queensland – health. Whether it is trying to attract doctors to towns or working hard to secure funding for infrastructure, the communities of Maranoa want, need and deserve better health services.

The Liberal-National Team has a range of election policies and plans that will help to improve services in non-metropolitan Australia and boost support for the dedicated health professionals living in Maranoa.

A Coalition Government will:

- Create an \$85 million Community Health Fund for local hospitals and community health organisations to apply for funding for capital upgrades or to provide vital health equipment such as MRI, CT and PET scanners.
- Double the number of rural scholarships for medical students who commit to at least three years working in a rural community;
- Fund 100 additional scholarships to rural and regional nurses to become Nurse Practitioners; and in towns without a resident medical practitioner, we will pay annual bonuses to Nurse Practitioners;
- Introduce a pilot scholarship scheme for dental students who commit to working in a rural area; and
- Re-establish community-controlled public hospitals so that local doctors, nurses and community representatives – not city bureaucrats – can have a greater say on how to run local hospital services.

The Rudd-Gillard Government promised to end the health blame game but nothing has changed under the current Federal and State Labor Governments. Only the Liberal-National Coalition will return health services to our local communities, improve patient access to vital medical services and encourage more doctors to live in the wonderful rural towns of Maranoa.

Yours sincerely,
The Hon. Bruce Scott MP
Federal Member for Maranoa

Changes to Council office in Allora

In response to security concerns for the one staff member located in the Allora office, Council has made a minor change to payment arrangements.

Staff will no longer accept over-the-counter cash payments above \$150, but will happily accept cheque or card payments in the office for amounts in excess of \$150. Residents will not be disadvantaged by this change, as cash payments for any Council account can still be made at the Allora Branch of the Warwick Credit Union or the Allora Post Office.

Council's Allora office will continue to take dog (and eventually cat) registration payments; hall, cemetery and debtors payments; and partial payment of rates.

The change results from the need to ensure the individual officer's safety at peak times such as the rating period, and will resolve problems associated with keeping large cash amounts in a workplace manned by just one officer.

This situation will be reviewed in six months.

Wattles 1970 TRL Premiers reunion team

The Wattles RLFC 1970 TRL Premiers are having a 40 year reunion on 14th and 15th August. Saturday 14th they are having a dinner in Clifton and on Sunday they will attend Platz Oval Clifton to attend the Wattles Legends day. They will be presented to the crowd at half time in the A grade. We are asking everyone to come along and acknowledge our living Legends.

Also on the day our 1990 - 1991 teams will be playing the Cambooya old boys and with the score being a draw the last 2 years there is plenty to play for. Both sets of jerseys will be auctioned after Wattles A grade play reigning Premiers Valleys.

BAD JOKE OF THE WEEK

A sloth named Herman is walking through the forest one day. A gang of snails approach him and beat him up for 7 hours. He is left at the bottom of a tree with several cuts and bruises.

Several hours later, he gathers up enough strength to go to a local police station. Herman walks into the Sergeant's office.

"What happened to you? the officer asks.

"A gang of snails beat me up," Herman replied.

"Can you describe what they looked like?"

"I don't know," the sloth says. "It all happened so fast."

The Old Shire Hall: Is it Worth Saving?

The Old Shire Hall on the corner of Warwick and Forde Streets is leased by the Allora and District Historical Society from the Southern Downs Regional Council. Owing to structural problems and termite damage the Council is considering its future. Following an inspection by a structural engineer, a prominent Warwick builder has estimated the cost of repairs required to bring the building up to standard to be in the vicinity of \$280,000. Council has indicated to the Historical Society that it has set aside \$100,000 for repairs to the building, and is not prepared to exceed that amount. They suggest that the Society seek grant money to cover the extra \$180,000+ needed. The building was originally the Allora Town Hall and was the headquarters of the Allora Municipal Council. It was completed in 1907 and officially opened on the 8th January 1908. It replaced the original Town Hall built next door in Forde Street in 1870. The new building was erected by local contractor, H. W. Stay, to a plan drawn up by another local builder, Daniel Stoddart. It consisted of a council meeting room and balcony upstairs, and offices, a kitchenette, and public hall downstairs. In February 1915, with the formation of the Allora Shire Council, the building became known as the Allora Shire Hall. Wedding receptions, dances, film shows and other forms of entertainment continued to be held in the public hall. The Red Cross used one of the downstairs offices as a blood collection room. The strong room was added about 1919. When the Shire Council moved into a new building in Herbert Street in 1960, table tennis tables replaced the council meeting table in the upstairs room. Various groups including the Junior Farmers/Rural Youth used the building as a meeting place. In the 1970's the building was taken over by the Youth Club and the downstairs internal walls were removed to make room for a basketball court. The Historical Society leased the hall from the Allora Shire Council in the 1990's and used it for storage purposes. They obtained a grant to replace the balcony which had been

The Allora Shire Hall as it was in 1932.

removed because of safety concerns. Following the amalgamation of the Allora Shire in 1994, the building became the responsibility of the Warwick Shire Council. The Society was granted a 10 year lease of the building in 1999 and in 2007, this was replaced by a lease from the Southern Downs Regional Council over the entire Local Government Reserve. The Society is interested in gaining public opinion on the cultural value of the Old Shire Hall to the people of Allora and district. Would they prefer to see money spent on the museum collection rather than preserving an old building? The Society would also like to hear of people's memories about the building and its uses over the years. Please contact Lyn Wright 0408753085, Dorothy Haig 0429416707, or any Society member.

Wattles Juniors host the Stanthorpe Gremlins

The Junior Warriors hosted the Stanthorpe Gremlins and a great days footy was the result.

Flynn Electrical U7's - Wattles had a great day against the Gremlins with Warriors taking turns to help the Gremlins out with numbers. There were tries scored in every quarter and Riley Lever was the star scoring 5. Meddleton and Willett both grabbed doubles and Meacle, Scott, Ruhle and Pogany one each. Everyone defended very well and the Warriors defense was hard to penetrate. McMahon, Hall and Shingles were all tackling low keeping the opposition from making breaks. The side has improved immensely since the first game of the season and all players are prepared to share the ball and work in defence. A treat to watch the little Warriors in action. Well done.

Wattle Brae U8's - This was a very even game with the Warriors giving away a size advantage. This did not deter the warriors who defended across the field as a team. Cunningham's great tackle was a game highlight as he showed tremendous courage. Willett, Hamblin and Philp also stood out in defense racking up big totals. Bashford and Brown both played very strongly and were always in the action. Bryson, Ruhle and Brown organized the attack and the players were always there to take the ball forward. McDougall, Sullivan and Hamblin all scored tries for Wattles and Sullivan kicked a conversion. Peardon and McDougall were elusive with the ball and continually made ground in the backline. Well done guys. Foodworks award Jordan Cunningham; Hungry Jacks Jack Bashford, Red Rooster Hunter Hamblin.

Luke Townsend Farrier U9's - The 9's ran into a well drilled Gremlins outfit and the try line was hard to cross. Christensen 2 and Lyons who was one of the best on the field scored the points for the Warriors. Lever and Gilmore kicked conversions to finalize Wattles points. Norris and Christensen ran hard into the gaps making inroads. Free, Gilmore and Lever also played well and were in everything. McMahon and Flynn stood out in defense often bringing down the ball runner with good low tackles. It was a good effort against tough opposition and all players were committed to the end. Great game from the team this week.

Superior Silage U10's - The team played very well this week and were all keen to chase the ball whether it was in the oppositions hands for tackling or running downfield after kicks. The backs received plenty of ball and Hounslow-Cullen 3, Brady 2, Henry and Blades all scored tries. Willett in the forwards stood out and was also rewarded with a try in the corner with a determined run. The defence was led by Roche and Henry with their good low tackling snuffing out many

Gremlin raids. Successful conversions by Brady, Henry and Roche added to the total in a great win. It was one of the teams best displays this season as they all combined to move the ball around the field and were prepared to do the tough work in defence. Foodworks award Nick Brown, Hungry Jacks Darcy Brady; Red Rooster Lachlan Roche.

Clifton Auto-Ag Under 11's - In a very good team effort the 11's reversed the close result from the first round winning 30 to 22. The forwards led by Catling, Somes, Gilmore and Duff took the ball up field through the ruck with gusto gaining ground at will in a dominant effort. The halves Lollback and Van Der Poel steered the play with precision and sent the ball wide when opportunities arose. Henry at hooker was great and he gave good quick service. In a career best effort Somes scored a double and Catling, Lollback and Van Der Poel all crossed for good tries. Ranger at fullback was elusive and safe often returning the kicks gaining metres. Successful conversions by Kelk, Blades, Van Der Poel, Lollback and Duff completed the important win. Tremendous game guys, keep up the Warrior spirit. Foodworks award Jake Ranger, Hungry Jacks Trent Henry; Red Rooster Kyle Catling.

Ryanie for Tyres U12's - Wattles scored a convincing 50 to 6 victory and were dominant across the field. The score was nil for a long period as both teams wrestled for supremacy. The Warriors pushed through the Gremlins onslaught and were rewarded with some great tries. Willett was superb scoring 3 tries and he continues to be hard to tackle. The forwards were led by Timbs, Moore, Watson, McMahon and Rubie and in the end dominated. Blades found space out wide scoring a double and Duncan, Morris, Timbs, Shooter and Rubie all crossed the line in the big win. The defense was keen with all team members prepared to get involved. Shooter, Timbs, Rubie, Moore and Duncan topped the count although the side did not have to spend long periods tackling as they controlled the ball well completing a high percentage of sets. Successful conversions to Duncan, Moore, Morris, Thompson and McMahon finished out the scoring. Fowles, Thompson and Dyball had great games and they were always on hand to shut down the Gremlins raids. Great win guys. Keep up the passion to play for each other. Clifton Foodworks award Harry Shooter; Hungry Jacks Lachlan McMahon; Red Rooster Danny Fowles.

Wildcat Earthmoving U13's - 42 nil was the score as the siren sounded with the Warriors dominant in all aspects of the game. The team combined well and were all prepared to back up the ball carrier which led to many extra metres. The defensive effort was pleasing keeping the Gremlins scoreless. Somes was again outstanding scoring four strong tries as well as offloading to support players. Morris was in everything and

GOLF

Allora Golf Notes 08 August 2010

Allora's Commercial Hotel sponsored last Sunday's Monthly Mug at the Allora Golf Club. Conditions on the day were perfect for golf and the course was in wonderful condition. The winner with a net score of 63 was Jack Fulwood. The runner-up, on 65 net was Lindsay May. Pin shots went to Neil Chandler on the 4th and 17th, Jack Fulwood on the 8th and 15th, Lindsay May on the 13th and Kev Harrison on the 5th, 6th and 14th. Congratulations to all the winners.

Next Sunday's (15 August) event will be the Jenco Feeds and Seeds Monthly Medal kindly sponsored by Jenco. Tee-off will be from 11.30am. All players are welcome. Don't forget your sand buckets and remember - to play is to live.

Continued from page 12...

engineered the attack with willing runners. Jordan Lewis had a blinder and was rewarded with a fine try. Lack, Bashford and Neilsen were great in attack and defence. Lack, Neilsen and Joe Willett backing up from the 12's scored the other three tries to complete the scoring. Munro at the back was well positioned and continues to impress with his very safe and reliable game. It was a very good team effort with everyone contributing. Neilsen 2 and Bashford kicked conversions. The team now looks forward to the semi finals in two weeks and their current form indicates they will go as long way if they can keep up the intensity. Foodworks award Joe Morris, Hungry Jacks Kyle Munro, Red Rooster Jordan Lewis.

Rod Frahm Real Estate U14's - The team recorded a good 30 to 14 win to keep them in line for the finals. Sharman, Morris and Hibberd gave their usual 100 percent efforts with Sharman devastating in attack scoring 3 tries and giving a superb offload for Comerford to score one of his two tries. Morris always makes ground scoring a try from determined running and Hibberd set the backs alight when given early ball. Willett, Johnson, Ranger and Rubie all went well in the forwards with Comerford and Wright dependable in the backs. Brown had a great second half and James tried hard in attack. The score line indicated a solid win and the ball control was good. Willett's tackle early in the game was a beauty and it set the scene for the forwards to defend the Warriors territory with intent. The players are reaping rewards from backing up the ball runner and good support led to tries for the team. Allora Foodworks Award Michael Johnson, Hungry Jacks Ben Ranger, Red Rooster Ben Comerford.

CJR Plumbing U16's - The 16's finished their last home game with a nail biting 24 all draw with Henry crossing as the siren sounded to even the game. They led 16 to 10 at half time and played a great first half. Their ball control was the best this season and with good field position were able to put points on the board. The first try was well constructed as Duggan threw a great pass for Frizzell to score in the corner. Frizzell scored a second and Duncan did well to score in the left corner before half time. Duncan's two wonderful sideline conversions proved vital in a close game. Jack McAntee, Willett and Morris continually took the ball forward and with good control the team was able to exert pressure. Wilson and Jack Sharpe were great with Sharpe playing his best game this season tackling well. Wilson's defence was super and he produced two great kicks in the game, one a forty twenty which led to a try. The team was able to use the backs to gain territory on the back of strong forward running. Way, Duncan, Henry and Duggan all played well. This week is the final game for the 16's as the team will not make the semis this season. See you all at Border to finish off the season. Allora Foodworks award Jack McAntee, Hungry Jacks Callum Duncan; Red Rooster Jason Wilson.

The final fixture games for the season prior to the final series will be played at Tenterfield this week against the Border Bears. Game times will be given out at training on Thursday afternoon.

Colin Hoey
