WINGS OVER WARWICK

The annual 'Wings Over Warwick Fly-in' at Warwick Massie Aerodrome is on again and this year is shaping up to be bigger and better than ever.

A variety of aircraft will be on display and offering Joy-Flights around the Darling Downs. Also on display and flying will be a large range of General Aviation and Recreational Aircraft...

something for everyone.

Queensland Recreational Aircraft Association (QRAA) President Kelvin Hutchinson confirmed that "this year we have been able to secure a wider range of aircraft to add to our already impressive track record of having a unique range of aircraft both static and in flying activities".

This year Wings Over Warwick is on Saturday 10th September and with the recently upgraded airstrip and facilities it's shaping up to be the biggest and best aviation event yet on the Darling Downs.

Hutchinson advised "the activities get underway from 8.00am and conclude around 2.00pm and BBQ food and drinks will be

available throughout the day". Money raised on the day will be going to the Royal Flying Doctor Service. A Jabiru J160C, an Australian built aircraft, will be available for trial flights with the local Flight School operator Rob Behrend at the controls. If you have ever thought about learning to fly here's your chance. Wings Over Warwick has been a major feature on the Darling Downs for over 20 years. Every year in September the aviation community invites its regional neighbours to come along and see what pilots in the area are doing in their spare time. The Queensland Recreational Aircraft Assoc (QRAA) has grown to become one of the largest aviation clubs in Southern Queensland. "It's the friendship, common interest, events, flyaways and variety of aircraft that have made QRAA so successful". "Flying is affordable" states Hutchinson. "It's comparable in cost to fishing, boating, golf, and motor sports". "Many pilots choose to have a small recreational plane to tour in rather than the RV, caravan or 5th wheeler" claims Mr Hutchinson. "Aircraft we fly in cost around \$80,000 and around \$50/hour to run".

Mr Hutchinson expects over 1,800 attendees and up to 200 aircraft will be participating this year. Entry is Free so come along and enjoy a great day out. Massie Airfield is on Massie-Bony Mountain Rd 14km North of Warwick along the Warwick-Allora Road. For further details go to www.qraa.info

Letter to the Editor...

Dear Sir,

The Allora Show Society greatly appreciated the voluntary efforts of the 27 groups and the auctioneers at the recent Community Auction. Even though the muddy conditions were very trying there was still much laughter, especially on the booking in days. Who could forget the Mary Poppins scenario (just ask Barrie).

Unfortunately profits were down due to the weather but donations will be forwarded to the Anglican Church, Blue Care, Chaplaincy Committee, Masonic Lodge, Kennel Club, High Tea Committee, Wck. Veteran & Vintage Vehicle Club, Allora Heritage Museum, St. Andrews Indoor Bowls, Lutheran Church, Allora Medical Support Group, Wck. Scouts, Deuchar Massie Hall, Allora S.S. P & C, Campdraft Assn., Allora Swimming Club, St. Patrick's P&C, Allora CWA, Scope Club, Allora S.S. Year 10 Camp, Allora RSL, Playgroup, Poultry Club, Goomburra Hall, Allora Kindergarten, Sports Club, & the Cancer Foundation.

We look forward to another successful auction next year. Thank you.

Regards,
Wendy Ardrey (Hon. Sec.),

Apply now for a share of community grants

Round 1 of the Southern Downs Regional Council's General Grants program opened for applications on Monday, August 15, 2011.

The Grants to Community Organisations – General Grants Program focuses on supporting local initiatives, local organisations, and events that enhance community wellbeing and opportunity.

The response to the General Grants program for 2010/2011 was considerable with over 70 community organisations seeking assistance through the program.

Mayor Ron Bellingham offered high praise for the many groups within the region which provide services and activities that benefit the regional community.

"Through this grants program, Council is able to acknowledge the tremendous value of strong community groups, community initiatives and events to the social and economic well-being of our region," Cr Bellingham said.

The Grants to Community Organisations – General Grants Program offers assistance under the following categories:

- Monetary Donation – Sponsorship - up to \$150.00
- Monetary Donation – Capital Project - up to \$500.00
- Fee Relief – Certain Council Statutory Fees - up to \$1000.00
- Fee Relief – Council Disposal fees for garbage produced at an event conducted by a Community Group - up to \$500.00

Application forms are available from Council offices and libraries, or by telephoning Council in Warwick (4661 0300) or Stanthorpe (4681 5500). The application form, along with information about the General Grants Program, is also available at www.southerndowns.qld.gov.au. Go to 'Your Council' and click on 'Grants and Funding'.

Applications must be received by close of business on Friday, September 9, 2011 and may be lodged in person at Council offices, or posted to the Chief Executive Officer, Southern Downs Regional Council, PO Box 26, Warwick.

Faxed, emailed or incomplete applications will not be accepted, and applications submitted or postmarked after the closing date may not be considered.

For further information regarding the General Grants Program, contact Gwen Jones, Community Development Officer, on telephone 4681 5500.

BAD JOKE OF THE WEEK

A traffic cop flagged down a motorist and said, 'I'm arresting you for going through three red lights.'

'Yeah, well, I'm colour blind,' said the motorist.

'In addition to that, you were exceeding the speed limit,' said the policeman.

'So what?' said the motorist.

'And on top of all that you were going the wrong way down a one-way street,' added the officer.

'I always did have a lousy sense of direction,' said the motorist with a smile.

At that point, his wife leaned forward from the back seat and said, 'Don't pay any attention to him, officer. He always talks like this when he's had a few drinks.'

SPIRIT OF ENTHUSIASM LIVES ON IN ALLORA - 100 YEARS LATER -

It was January, 1911. The church had already been built. The congregation was anxious to have a parish priest. One Sunday after Mass, they gathered together and unanimously adopted a resolution to yet again request the Archbishop to grant them a parish priest. Feelings were running high; it was obvious that the congregation would not rest until their district was declared a parish. By the end of 1911 Archbishop Dunne granted their wishes. The new parish of St. Patrick's, Allora was formed embracing Deuchar, Goomburra Valley, Talgai West and Glengallan with Father Phillip Corrigan as the first parish priest. (extracts taken from "Looking Back..." column)

A celebration of the Centenary of St. Patrick's Parish, Allora, will be held on Sunday, 9th October, 2011, with Mass commencing at 10.00am. Afterwards there will be a BYO shared lunch in the parish grounds. All welcome.

Looking Back...

Old School Residence

The recent article in the Looking Back column regarding the old school residence in Herbert Street inspired Garth Free to send photos of the building in later years. The old residence was moved to a farm at Goomburra by Frank Whitman in 1911. The farm was later bought by Phillip and Dorothy Free and the Free family lived in the relocated building until it was demolished in about 1968.

Allora school residence in Herbert Street in about 1910. The children are the family of the Head Teacher, Mr. R. L. Jackson.

the son of Henry and Lucy Smith. The family moved to Mt. Marshall in the following year. Henry was educated at the Glengallan State School and Ipswich Grammar before returning to the family farm on the death of his father in 1915.

He took a keen interest in rugby league, playing for Allora and Warwick teams for several years. He was also an enthusiastic cricket and tennis player. From 1944 until his retirement in 1983 he held a bookmaker's licence and fielded on Downs and provincial meetings.

Henry married Florence Crothers in 1928 and moved to Willowvale where he built up his land holdings over the following years. Henry and Florence reared a family of five sons and one daughter. Mr. Smith was survived by sons, Jim,

Roy and Trevor; daughter, Meryl (Kelly); 25 grand-children and sisters, Elizabeth (Shooter) and Doris (Byrne). He was predeceased by his wife Florence, and sons Henry and Noel.

PLANS HATCHED FOR ECONOMY BOOST

One of Australia's leading poultry meat producers, Darwalla Milling Company is set to make a \$12.5M injection into the Darling Downs region with a new chick hatchery planned for the township of Allora.

Darwalla Development Manager, David Bray, said the hatchery would create 32 jobs per week including 15 full time positions with roles ranging from maintenance to cleaning crews, drivers, general hands and operational managers.

Other opportunities would be delivered including the generation of construction jobs as part of the building program and consultancy roles related to the progress of the current and

future development of the business in the region.

According to Mr Bray, Darwalla has already entrenched itself as a major employer with more than 100 employees and a successful business in the wider Darling Downs economy with the company currently running six operations in the region incorporating more than 2900 acres of land.

"We've already invested \$12M into the region with two breeding farms in Allora and two in Clifton where our fertile eggs are produced, and we have two additional farms in Killarney and Laidley where chickens are raised to point of lay," Mr Bray said.

"We also currently have an application on the go at Sandy Creek for another rearing farm where chickens will be raised to the point of lay.

"We are certainly expanding and looking to be a key business delivering positive outcomes for local people throughout the Darling Downs because we believe this region is ideal for the kind of operation we have," he said.

Mr Bray said that, as a fully integrated chicken meat producer, Darwalla was a major shareholder in broiler growing facilities, feed mill production, live bird supply and chicken meat production with more than 900 people employed throughout its wider operation.

But there were also several positive flow-on economic effects from its activities with the company strongly committed to supporting local economies and working co-operatively with communities.

"For example, we purchase grain from the local area which is used to produce feed for our breeders at the Clifton Feed Mill and we actively maintain a policy of using local contractors – at the end of the day, we are a farming company and we seek to preserve and protect the values of farming communities," Mr Bray said.

"I think that's why, while our farms are located within 1-2 kilometres of residential areas, they're warmly accepted by local communities like Killarney where we've been operating for five years and we have a great relationship with the township," he said.

The Darwalla Milling Company was established in 1933, in Redlands, near Brisbane, by Dolphie Benfer, with its main interest in table egg production.

Diversification in the 1960s saw the Company move into chicken meat production.

The company sold its egg production assets in 2003 and today, focuses on chicken meat with its own fertile egg farms, hatcheries and chicken meat growing facilities.

The group produces 100,000 tonnes of feed, 22,500,000 day old chickens and 51,525,000 kilos of chicken meat every year. Chickens are processed by Golden Cockerel, which is 50% owned by Darwalla, with end markets primarily throughout Queensland and New South Wales.

Australia-wide, the \$2 Billion chicken meat industry employs some 50,000 people.

Australians consume on average around 36 kilograms of chicken meat per capita, compared to 12.3 kg of lamb and mutton and 24.7 kg of pig meat.

With only 3% of chicken meat exported, the industry is uniquely positioned as a largely domestic market, run by Australians for Australians.

Darwalla injects a total of \$20 Million every year into the community through wages and salaries alone.

New Southern Downs group turns up heat on wild dogs

Southern Downs Regional Council has delivered on its third promise to landholders to assist with controlling wild dogs and has formed the new Southern Downs Wild Dog Management Advisory Group with community members.

It is the first such group in the South-East corner and is made up of local primary producers, as well as representatives from Queensland Parks and Wildlife, Biosecurity Queensland and Council.

Councillor Cameron Gow said it's excellent to see Council, State Government agencies and the community working together.

"This is another step in our response to calls from primary producers to ramp up the campaign against wild dogs in the region," Cr Gow said.

"Last year, Council met with the Mountain Maid Wild Dog Group about the worsening problem of wild dogs," he explained.

"Council later made three promises – to increase the wild dog bounty, to stock and provide 1080 poison at Council and to

form a community based advisory committee to the Council Pest Management Group."

Council acted quickly to increase the wild dog bounty from \$50 to \$100 and also began stocking 1080 poison locally last year. A meeting on the new Advisory Group was held at Warwick Town Hall in late July 2011 to decide who would represent various areas in the Southern Downs, and their AGM was held at Dalveen last Friday. Sheep and cattle producer Ben Cory was elected Chair of the new Southern Downs Wild Dog Management Advisory Group with Peter Cleary as Vice Chair and Ross McCorquodale elected Secretary.

Mr Cory said that as well as advising Council on wild dog management strategy, the Group would be pushing to get "neighbours talking to neighbours" so many more would get involved in co-ordinated baiting and trapping programs.

"The wild dogs are still out there, that's for sure," said Mr Cory, who estimates he's lost 200 sheep to wild dogs in the last five years.

"I trapped a dog near Killarney two weeks ago and know of another caught at Mt Colliery and one out at Karara," he said.

"So we'll be pushing for more landholders to come on board because the best way to jump on top of the wild dog problem is to get as many landholders involved in baiting and trapping at the same time as possible.

"That's been working out West, where sheep are only just now starting to be brought back onto land.

"The difference here is that there are many more landholders on smaller blocks, so it's a challenge, especially when they are not directly impacted by wild dogs.

"But it is the landholders' responsibility to manage pests on their property."

Mr Cory said Council had been "really keen" and proactive in forming the Advisory Group.

"This is the first group of its kind in the South-East corner and we hope to be able to make more headway against wild dogs," Mr Cory said.

Cr Gow, who chairs Council's Pest Management Group, echoed this view: "I very much look forward to working with the new Southern Downs Wild Dog Advisory Group to come up with ways to better coordinate our combined efforts and response to this serious issue in our community."

Next Coordinated wild dog baiting program starts August 31, 2011 - The next co-ordinated baiting program organised by Council starts in Stanthorpe and district on August 31 and Warwick and district from 1-2 September 2011.

It targets wild dogs during the crucial breeding season. See Council website for dates and locations or call Council for more information on 07 4681 5500 or 07 4661 0300.

**Match reports for Wattles V
Goondiwindi 13.8 11.**

Firstly let me apologise to all of you that I attached the wrong match reports to last week's edition- giving you a re-run of the Wattles/ Stanthorpe games from May. A lot of improvements have happened since then- if you have been following the weekly match reports you will have realised that our boys and girls have certainly developed as players over the last few months.

This weekend was our last fixture match. Next Saturday the U12 and U13 teams will be playing semi-finals matches in Warwick- at 9am and 10:15am respectively. It would be great to see a good contingent of Green and Gold supporters there to cheer our boys on.

Thanks to those who have contributed to the match reports every week. It has again been a memorable year for junior rugby league. Don't forget Presentation Day on Saturday 10th September.

U8: The Wattlebrae Stud under 8's were led by Johnny Nolan this week, and he did a great job at Dummy-half. The team had "car-lag" from the early morning start in the first half of the game, but played very well in the second half. Best tacklers were Sam, Ryley, Jacob, Harry, Elijah and Lachlan. Tries were scored by Michael (2), Jacob, William (2), and Ben, with Jackson and Michael kicking goals. Thomas, Elijah, Ben and Jackson made some strong hit ups, running hard with the ball. Thank you to the whole team for being at the last game of the year. Thanks to Andrew and Josh for their help and input during the year, at training and games (-Josh can sleep-in now). Many thanks to the parents for getting the boys to training and the games, and helping when it was needed. It was a pleasure to coach these boys during the year, thanks to them. See you at presentation day.

Clifton Foodworks Award: Thomas Darcy
Hungry Jack's Award: Sam Scott
Domino's Pizza Award: Michael Duncan.

U10: The Superior Silage U10's were let down by some poor defence this week, and they were outdone by a stronger opposition. Tyler Gillam, Kaleb Lever, Will Flynn, and Ty Beckhouse were the best in defence. Matthew, Nathan, Will and Juston took the ball up nicely through the middle, but we could not get the ball out through the backs quick enough to give them room to move. Kaleb earned the Domino's Pizza award, Will Flynn the Clifton Foodworks award, and Ty Beckhouse the Hungry Jack's award this week.

U11: The Clifton auto Ag U11 travelled to Goondiwindi for their final game of the season on Saturday to play the 2nd placed team in the competition. The young warriors went out and once again played solid football just falling short of beating the grand final favourites going down 16 -10.

Chris O'Neill again led the tackle count and was backed up very well by Dylan all day; Nick Brown had a good day playing at hooker with Cody Beckhouse whilst Lachlan Henry and Darcy played very well in the halves. Our forwards who have been good all year had a good solid game with Jacob Willet, Jacob Blades, Michael Lasserre, Jackson O'Brien, Nick Blakemore and Hayden Smith all playing good football. Eric Hetherington, Mitchell Potter, Rory Moat and Bradley Newman all had good games out in the centres and wing whilst our fullback Tom Parry again showed what a classy player he is going to be in future years.

It has been a pleasure to coach these boys this year and Steve, Troy and I can see immense improvement in their game and general manners on and off the field. Thank you boys for a great 2011 season and enjoy your football next year.

Dominos Pizza award: Nick Brown

U12: The Ryanie for Tyres Wattles Under 12 team started the game well with Kobi Blades and Nick Van der Poel each scoring a try and the team as a whole working hard in defence. At half time they had a 10 -0 lead but this was quickly eroded with Goondiwindi running in four tries and all players having to do a lot of tackling. It was pleasing to see Brandon Ranger help his wingers out with some good covering defence. The Wattles boys had to dig deep and they got back into the game with some good team work to gain better field position which resulted in two more tries to Nick Van der Poel. They were able to hang on for a 20 all draw. The award winners this week were Nick Van der Poel, Trent Henry and Kodi Rigney.

U14: The Clifton Real Estate U14's played a determined Goondiwindi team this weekend, with the Boars taking a very good start to lead 10-0 early. Wattles fought back with first half tries to Max Somes and Tom Ryan to lead 12-10 at the break. Goondiwindi were dominant in the second half to run out winners 36-12, but the young Warriors hung in and almost scored right on full-time. Joe Morris had an excellent game, earning him the Eagle Boys pizza award, and Dalton Nielsen ran hard and tackled well, picking up the Hungry Jack's award. Max Somes and Evan Lack performed well in the centres. Tom Ryan ran well and is improving in every game.

U16: This was never going to be the Carlowrie Park U16's year, but our boys continued to put in a big effort every week- giving the more dominant teams something to think about on more than one occasion, with reasonably close score lines being testament to their determination. This week was no exception, and the effort the boys put in was a credit to those who made the journey to Goondiwindi for the last fixture match this year. Nick Pails, Nick Morris, Tim Sharpe and Mike Carter put in a great effort in defence, while Dale Mc Antee and Brodie Sharman were able to make some good meters off some solid running by the forwards. As always, the full time score is never a reflection of the amount of work our boys do on the field every week. This has been a great team of boys to work with, and we take this opportunity to wish our 16 year olds all the best as they venture into senior football next year. See you all at Presentation Day on 10th September.

Slade hosts Community Showcase
for local organisations

Music, arts, crafts, dance, sporting groups and any other
organisations within the Southern Downs area are being urged
to sign on for a new "Community Showcase".

The event, being coordinated by the Warwick and District
Country Music Association Inc, will be held at the Slade
Complex on the weekend of October 15 and 16.

Secretary of Warwick and District Country Music Association,
Ev Eastwell said people can expect a busy weekend of
entertainment, displays and demonstrations, along with food
and market stalls.

"We will have two outdoor stages set up for the weekend and
anticipate lively entertainment on both, as well as an extensive
array of informational booths," Mrs Eastwell said.

"The Showcase will offer all the clubs in our region the chance
to shout out about what they do, where they do it and why they
do it.

"We see this as a great promotional opportunity for local
organisations and perhaps even a chance to recruit a few new
members," she said.

The Community Showcase is a charitable fundraising event.
There will be a \$5.00 entry fee per person with primary school
children admitted free. There will be no separate fee for stall
holders, only individual gate entry.

Further information on the Community Showcase can be
obtained by calling Ev Eastwell on 4661 2182 or 0422 096990.

with the Warwick "Cowboys" rising to the
occasion to win 30 - 22 in a rugged stoush,
Wattles final home game for 2011 at Platz
Oval. Wattles scored easy wins in the club's
two previous encounters this year, and while
they appeared on easy street in Sunday's
game, leading 12 - 0 after just four minutes,
the Warwick side on the tail of a superb
performance by English front-rower Garry
Ellery, fought their way back to trail 12 - 16
at half time. Wattles led 22 - 18 by the 58th
minute, but two quick tries by 18 year back
Lincoln Cutmore virtually sealed the match
for the Cowboys, a late penalty goal by their
centre Michael O'Keefe putting the result
beyond doubt as the clock ticked down.

best player was lock Aaron Scheid with a mighty all round effort. Scheid, among his side's best defenders, was always on the spot to take the ball forward making an impact against a determined Cowboys defensive line. He scored Wattles first try when took a pass off Brady Glass ten metres out from the Warwick try line and skirted the defence to touch down. Wattles added to their total a couple of minutes later when five-eight Jeff Nielson weaved his way amongst defenders before outsprinting the chasers on a fifty metre dash to the try line. With two conversions by Brady Glass, Wattles held a 12 – 0 lead, which would have seemed to be a foundation for success, but the never say die Cowboys began the grind back. After recovering to 12 all after tries by their skipper Aaron McVeigh and second-rower Braydon Hockings, the Cowboys lost their pivot Vinnie Mei to the sin bin. Soon after Warrior's fullback Brenden Wilson took a Nielson pass before paving his way to score fourteen minutes before the break. When hard toiling front-rower David Hallman burst over in the corner early in the second stanza, the visitors snatched an 18 – 16 lead and appeared to be gaining momentum as the match progressed. Wattles centre Russell McMillan was hauled in inches from the try line in the 58th minute, before Brenden Wilson off loaded to Scheid in support to score Wattles fourth and final try. Wattles outstanding young hooker Liam Ross was sin binned with only minutes remaining on the clock for an alleged offence inside Wattles quarter, a disappointing end after another inspiring effort, the young forward appearing to be judged harshly.

While the loss was a body blow for the Warriors in their endeavour to finish the season with three from three wins, no one should be surprised by the Cowboys fight back, despite their position in second last slot on the premiership ladder. Their players lifted for the occasion and converted most of their opportunities into points. Their front-rower Ellery lived up to his reputation as a class acquisition in the mould of a tough English forward, formerly with the famous Featherstone Rovers club, and also a former Doncaster team mate of Wattles front-rower of a few seasons back, Jamie Bovill. Warwick's 19 year old halfback Paul Cantwell was another in the red, white & blue to shine playing a key role in the Cowboys success.

Along with club stalwart Aaron Scheid, back rower's Glen McMillan & Luke Baker were outstanding, while centre Russell McMillan was also among Wattles best.

The Warriors head to Dalby on Sunday for their final fixture match of the year, and have injury concerns, flying winger Dale Dempsey with a lower leg problem, Co-Coach & skipper Glen McMillan a broken hand as a result of Sunday's match and forward enforcer Matt McCarthy, who missed the Warwick match, and has a season ending elbow problem.

Warwick 30 (Lincoln Cutmore 2, Brayden Hockings, Aaron McVeigh, David Hallman tries; Michael O'Keefe 5 goals) defeated Wattles 22 (Aaron Scheid 2, Jeffrey Nielson, Brenden Wilson tries; Brady Glass 2, Robert Woodbridge goals).

Burly back-rower Walter McIntosh led the "Railway Hotel, Allora" Wattles reserve graders on a rampaging onslaught over the bottom of the ladder Cowboys, Wattles emerging 56 – 10 winners at full time. Wattles scored virtually a point a minute to lead 34 – 6 at halftime, having crossed for seven touchdowns, and then running in another four tries in the final 35 minutes. Eighteen year old Michael Nauschutz was named "Player's Player" his 65 metre gallop through the defence in the 28th minute a feature of the game. Halfback Jordan Henry and centre Dean Cubby both scored two tries each in classy performances. Henry was again among the best players this week, along with McIntosh brothers Walter and hooker Josh. Wattles will have a task to deal with on Sunday, their Dalby opponents second on the competition ladder, but the Warriors are solid in fourth place and will represent the Wattles club in this year's Toowoomba Rugby League finals series.

Wattles 56 (Jordan Henry 2, Dean Cubby 2, Brandon Cubby, Aaron Hooper, Tim Hentschel, Walter McIntosh, Mark Duggan,

Jeffrey Nielson, Ian Brown tries; Anthony McIntosh 5, Brandon Cubby goals) defeated Warwick 10 (Nathan Horne, John Trindall tries; Adam Byrne goal).

Premiership hopefuls the Warwick Cowboys finished ahead of the "Allora Foodworks" Wattles Under 18 side on Sunday by 30 – 6, after leading 16 – 6 at the break. Ever alert hooker Alex Morris crossed for the Warriors sole try in the seconds prior to half time, stepping left & right before diving over from dummy half to claim the points. Tough front-rower Carl Gale excelled throughout the match, as did fellow forwards Jim Johnson, Michael Nauschutz & Jason Wilson.

Warwick 30 (Reegan McNicol 2, Michael O'Keefe 2, Joe Mclvor, Patrick McGahan tries; Lincoln Cutmore 3 goals) defeated Wattles 6 (Alex Morris try, Jim Johnston goal).

Wattles head to Dalby this Sunday to take on the local "Diehards" in all grades in the final round of fixtures in the 2011 Toowoomba Rugby League season.

Cambooya Charge to Challenge Title

Wattles star of yesteryear Doug Peardon ignited the flame that led to the Cambooya Old Boys 20 – 0 victory over Wattles Legends in the 2011 "Wattles Legends of League Challenge" played at Platz Oval on Sunday. When Peardon charged on to a pass from former Queensland Residents representative Scott Kuhnemann on his way to touching down for the opening try, it opened the door to an unexpected five try rout of the Wattles side in front of a big home crowd.

Since the inception of the annual Challenge in 2008, Cambooya have come within a hair's breadth of victory honours, the first two matches resulting in 8 all draws. They were beaten 12 – 8 last year when the Wattles Legends snatched a late try for victory.

On Sunday though, the glory was all Cambooya, after leading 4 – 0 at half time, they stretched out in the third quarter scoring three touchdowns. Glen Brown scored on the end of a mighty charge by front-rower Scott Minnikin, before Scott Kuhnemann and Joe Flynn also claimed tries before threequarter time. Flynn, who used his now famous "Under 8 play" to perfection, sealed Wattles Legends fate when he scored in the final quarter.

Cambooya Captain Scott Minnikin accepted the "Legends of League Challenge" trophy from Wattles President Barry Glass, who had turned out for the Wattles Legends. Cameron Hamblin was named "Best & Fairest" player for Cambooya, and surprise packet Charlie Waters took the honours for Wattles Legends. Cambooya Old Boys: 20 (Joe Flynn 2, Doug Peardon, Scott Kuhnemann, Glen Brown tries) defeated Wattles Legends 0.

"2011 Legends of League Challenge" teams:

Cambooya Old Boys: Neil Wilson, Clancy Smith, Neil Christensen, Troy Gillam, Cameron Hamblin, Grant May, Scott Minnikin, Doug Peardon, Shane Meara, Joe Flynn, Scott Kuhnemann, Charlie May, Steve Frost, Mark Duggan, Kent Meacle.

Wattles Legends: Charlie Waters, David Keleher, Mick Laws, Peter Keleher, George Gall, Darren O'Neil, Brenden Bange, Lance Tucker, Luke Whitton, Mick Kelk, Shane Goodwin, Barry Glass, Graham Lawardorn, Paul Morris, Dick Logan, Glen Brown.
