The weather that day was not ideal with showers causing the temperature to drop and a storm in the middle of the day which lead to an early lunch break. The children all swam well despite the conditions, with almost all of

History Books Re-printed

The books Allora's Past and Forgotten Tales, written by Bert Sims and released in 1934, have been re-printed in a combined form and will be released on Australia Day this year. The new book is a project of the Allora Bicentennial Committee and permission for the re-print was given by John Sims, son of the author. John and his wife, Fay, will be special guests at the re-launch of the book. Original copies of the books used in the re-print, were supplied by Roy Neale from the Allora and District Historical Society collection. (Unsold copies of the book were handed over to the Historical Society by the Bicentennial Committee and the book is now into its third re-print)

A meeting to re-form the Allora Branch of the Queensland Grain Grower's Assn. will be held on Friday, 26th January, in the old Shire Hall, Allora. Guest speakers at the meeting will include Mr. J. G. Tod (Gen. Pres. Q. G. A.) and Mr. W. Spratt (member of the Q. G. A. Executive), both former residents of the Allora district.

Death of Long Term Resident

The death occurred of Mr. Robert Frizzell snr., who came to the Allora district 56 years ago from Ireland at the age of 17. He first found employment as a farm hand for Mr. Alex. Shannon, later taking up work as a carrier and contractor. When the Talgai West property was divided into share farms, Mr. Frizzell took up one of the farms, purchasing the property after the Talgai West subdivision in 1912. Mr. Frizzell was a long time member of the Allora Show Society and an Allora Shire councillor for a considerable period. He was a member

of the Victoria Hill School committee for more than 30 years. Mr. Frizzell was twice married and was survived by his second wife and a large grown-up family.

Allora Man in Antarctica

With the publicity about the recent (12th January 2012) centenary of the arrival of Douglas Mawson's scientific and exploration party in Antarctica, it is of interest to note that a former Allora man was involved in the expedition. Sydney Jeffryes, a son of Henry Jeffryes, Post Master in Allora from 1891 to 1909, joined Mawson at Commonwealth Bay on the Aurora's second trip in January 1913.

After leaving school Sydney found employment with Queensland Railways and advanced to the position of Assistant Station Master at Clifton. He qualified as a radio operator and was appointed to the Australian Antarctic Expedition in that capacity. Mawson, having missed the second arrival and departure of the Aurora, was forced to spend another winter at Commonwealth Bay with six companions including Sydney Jeffryes. Sadly, soon after arrival, Sydney suffered a mental breakdown, greatly adding to the expedition's hardships. The seven remaining members of the expedition returned to Australia in February 1914, Sydney Jeffryes later spending time in a Victorian asylum.

BAD JOKE OF THE WEEK

Two explorers are lost in the desert. One of them goes on ahead. Some time later he comes back and says, "There's some good news and some bad news. The bad news is we're going to have to eat sand."

His friend asks, "Blimey, what's the good news?"

The first one replies, "There's plenty of it."

"Dongers" Firing for Cricket Classic

This weekend while see local cricket action at its best across the Warwick region with thirty teams from the local area and around Wide Bay, southern Queensland and northern New

South Wales fighting out the 2012 "Supa IGA Australia Day Carnival". The Carnival, now played under the Twenty/20 format, has a lengthy history and is well known in Queensland country cricket circles, providing some spectacular cricket action at Allora, Wheatvale and Maryvale as well as seven venues in Warwick, across the two days of the annual week end.

The Allora area will once again be represented by the "Dalrymple Dongers", who will be playing two matches on their home turf at Allora Oval on Saturday. The "Dalrymple Dongers" flew the flag for Allora in last year's Australia Day Cricket Carnival, finishing second overall behind top side "Doc's XI". The "Dongers" won both their matches on Day 1 of the Carnival, in the 20/20 format competition. While not rated in the top ten at the start of play on the final day, they finished 62 runs ahead of Casino based side "Ring-Ins" to snatch second place in the prestigious event. Former Allora local Matt May starred for the "Dongers" taking out the Carnival "Bowling Aggregate" award with 8 wickets over the weekend at an average of just three runs.

The Allora based "Dongers" meet "Ring Ins" from Casino at 8.30 am Saturday, the team being: Cameron Masters, Adam May, Scott Sparksman, Andrew Petersen, Justin Briggs, Jason Nightingale, Chris Thomas, Adrian Lee, Matt May, Alex Morris, Nick Morris. 12th Man: Steve Hughes.

Their second match in the 20/20 format Carnival commences at 11.30 am on Saturday against "XXXX", the team being: Cameron Masters, Adam May, Aaron Vietheer, Justin Briggs, Jason Nightingale, Brady Glass, Steve Hughes, Chris Thomas, Adrian Lee, Matt May, Nick Morris. 12th Man: Scott Sparksman. Results of Saturday's games will decide the "Dalrymple Dongers" Sunday opponents, with the carnival final played at Slade Park at 1.00 pm on Sunday after all qualifying rounds.

A Grade Chances Dampened - In Warwick Cricket Association cricket fixtures last weekend Allora's chances of contesting the "A" Grade premiership took a step back when their match against Sovereign Hotel "Animals" was washed out. The Allora Foodworks/Railway Hotel Allora Eleven put together a healthy innings of 188 all out in 30.4 overs, before the rain tumbled down ending play. Form batsman Aaron Vietheer shone with a season highest score of 79, sharing a 68 run partnership with Mitch McLennan (19). Opener Matt Kiernan was also in the runs with 32 along with newcomer Shane Hooper on 23.

Allora has clung to a one competition point lead over Warwick Hotel "Colts" in recent weeks, the difference between 4th & 5th place on the ladder. "Colts" secured a solid victory over Inglewood at Inglewood and with the addition of six premiership points have a firm hold on fourth place.

Allora have two remaining rounds to climb back into the top four and so secure an "A" Grade berth. The Warwick Cricket Association "Commonwealth Bank Cup" premiership splits in to "A" & Reserve Grade from Sunday, February 5th. The Allora side's next match is against Maryvale at Mayhew Oval on January 28th.

Ambassadors announced for Australia Day celebrations

Australia Day Ambassadors have been announced and the Southern Downs can look forward to not one, but two inspirational Australians attending celebrations in the region. The communities of Warwick and Stanthorpe will each receive a visit from a high-achieving Australian, with both ambassadors being OAM recipients for service in their respective fields.

Highly honoured academic, Professor Joseph (Joe) Baker AO OBE FTSE MSc PhD DSc (Hon) FRACI C.Chem will attend Warwick celebrations as guest speaker of the Woolworths Ambassador Program. Prof Baker was born in Warwick and attended Warwick East State School and the Warwick State High School and played many a game of rugby league on local fields. He was in fact chosen as Lock Forward in the Eastern Suburbs Rugby League "Dream Team of the Century". Mayor Ron Bellingham said that it was a particularly great

Colin Campbell

Prof Joe Baker

honour to welcome back a local who had excelled in his chosen field and is recognised as a leader on national and international science stages.

"Joe is an absolute inspiration who has a passion to make a difference to marine science, the environment, and sustainable resource use," Cr Bellingham said.

"His achievements, roles, contributions and accolades during his 40+ year career in science, are extensive and demonstrate the importance and lasting value of Joe's work and influence." Gardening enthusiasts will no doubt plant themselves at Stanthorpe Weeroona Park celebrations where gardening media personality Colin Campbell will deliver a keynote address capturing the true spirit of being Australian.

Colin has been awarded the Order of Australia Medal for services to horticulture and horticultural media, and the Gold

Wattle Award by the Australian Institute of Horticulture (only the second time this award has been made in the 51 year history of AIH).

Cr Bellingham noted that Colin's qualifications in horticulture, marketing and journalism have been the springboard for a highly successful career with appearances on ABC television and columns for Gardening Australia magazine and the Courier Mail.

The Woolworths Ambassador Program sponsors high-achieving Queenslanders like Prof Baker and Colin Campbell around the state to help communities throughout Queensland celebrate Australia Day. Cr Bellingham praised the upcoming visits of Woolworths Australia Day Ambassadors.

"The Ambassador Program gives regional and remote areas as well as metropolitan areas the opportunity to meet and interact with outstanding Australians as they share their inspirational stories about what being an Australian means to them," Cr Bellingham said.

"Smaller communities like ours can have official ceremonies that are equally as important as the larger cities," he added. Australia Day Ambassadors come from a wide range of fields and include: sports heroes, celebrities, writers, artists, business people, environmentalists, scientists, and community workers. There will be plenty of fun and free activities planned in the Southern Downs to help residents participate in one of the biggest celebrations in the nation.

For more information on Australia Day celebrations, contact Warwick Tourism & Events CEO, Tracy Vellacott on (07) 4661 9073 or visit www.southerndowns.qld.gov.au.

Trade training boost for Warwick region

Allora P-10 State School, Warwick State High School, Clifton State High School and Killarney State School students are set to benefit from a new \$3.5 million Federal Government investment in trade training, Federal LNP Member for Maranoa Bruce Scott said Tuesday.

Mr Scott said the new project, the Warwick Trade Training Centre, would be mainly based at Warwick State High School but would also support students from Allora, Clifton and Killarney.

"The Federal funding will include the construction of an industrial workshop and an industrial shed, the refurbishment of an existing facility to include an engineering workshop, as well as providing equipment across the schools," he said.

"The Trade Training Centre will deliver Certificate I and II qualifications in agriculture, engineering and manufacturing and also Certificate II qualifications in Sampling and Measuring. "With the Warwick region located on the cusp of the Surat Basin Energy Province, these Certificates and facilities will help more local students find employment in skills areas identified by the resources sector."

Australia Day celebrations across the Southern Downs

Southern Downs' residents are being urged to show their Aussie spirit and join in local community celebrations this Australia Day, January 26. With the public holiday mid week, Mayor Ron Bellingham is encouraging residents to rally neighbours and friends along to local celebrations in Warwick, Stanthorpe and Killarney to enjoy the laid-back atmosphere and activities typified by life in Australia. Warwick's celebrations will again be held in Victoria Park, across from the Warwick Hospital. Event organiser Tracy Vellacott said that a positive from last year's disastrous flooding in the Queensland Park precinct was the discovery of just how well the Australia Day celebrations sat within the relaxed Victoria Park environment.

"It's wonderful to be able to run this event in a park that doesn't generally see too much action," she said.

"We have a fantastic afternoon of musical entertainment planned and of course the celebrations will be capped off by a brilliant fireworks display by Council pyrotechnician Brian Weeks."

Victoria Park celebrations get under way from 4.00pm, where Lions and Rotary Club members will have the BBQ and hot chips fired up. The audience will enjoy entertainment from local performers and a free jumping castle, face-painting and an animal nursery will keep the kids smiling. Later in the evening, the official ceremony will take place including the swearing in of new citizens and presentation of Warwick's Australia Day Awards, culminating in the much-anticipated fireworks display.

Cr Bellingham said he is looking forward to sharing his last official Australia Day celebration with huge crowds in both Stanthorpe and Warwick.

Motorists urged to avoid flooded roads

Persistent rain across south east Queensland has prompted the RACQ to remind road users about the dangers of driving on flooded roads.

RACQ spokesperson Brodie Bott said it was essential that motorists and pedestrians exercised extreme caution in the wet after authorities warned of localised flash flooding across parts of the state.

"It only takes 15 centimetres of water to knock a person off their feet and 60 centimetres to wash a car off the road," Mr Bott said.

"So, the message is simple - avoid flooded roads, regardless of whether you have a four-wheel drive or a small car.

"Water can be very powerful. We've all seen what it can do to cars and homes. If you come across a flooded road, the best course of action is to find an alternative route. It's not worth risking your life.

"Forecasters expect the wet weather to continue over the next few days, so we're also asking motorists to use common sense and drive to the conditions."

To ensure a safer journey in wet weather, Mr Bott suggested that motorists:

- Slow down and leave at least four seconds distance between their car and the car in front.
- Turn the headlights on while driving, but remember to turn them off once they arrive at their destination to avoid a flat battery.
- Increase visibility by using the fan or air-conditioner to demist a foggy windscreen.
- Avoid driving if it's not essential.
