“Meet & Greet Tame, But Warriors Firing at Training”

Long time Wattles sponsor, the Down's Hotel at Drayton played host to the Wattles "Warriors" Rugby League Club's first major social event of the year on Saturday afternoon, being the club's pre-season "Meet & Greet". Club officials, sponsors, supporters and some players gathered to break the ice as we move to the new season commencing.

While organizers were hoping to have a few more players show to the "Meet & Greet", Wattles President Barry Glass is very happy with the early season numbers at training. Barry is reminding prospective players and those who have signed, training is on Tuesday & Thursday evenings at Clifton's Platz Oval from 6.30 pm, with new players welcome.

The Glass family influence won't just be being exercised from the Wattles Halls of Power in 2011, with Barry's son Brady a key player in Wattles forward pack, who will be exerting the Glass influence on the field. Brady excelled as a junior in his formative years with the Wattles Junior Rugby League Club, his size, ball skills and mobility eventually opening the representative door that saw him a South West Division representative in Under 17 & 19 grades. The strongly built back rower may take the step up to the front row as his career blossoms, but for now he will be a key weapon in Wattles 2011 arsenal.

Wattles Coach Ken Riddiford has an abundance of new and up and coming talent at his finger tips, but no doubt he will appreciate the early arrival of one of Wattles favourite sons to training recently in Russell McMillan. McMillan

needs little introduction around the Central Downs area, and across the Darling Downs really. His undoubted talents from his days as a junior player signaled he was someone who would go on and achieve in rugby league. McMillan spent a year with the Brisbane Broncos Under 17 side in 1997, and on returning to Wattles in 1998 gained Queensland Under 19 selection where his team mates included Chris Walker, Lote Tuqiri, Brad Meyers and future Kiwi Test star Brent Webb to name a few. McMillan was a consistent South West Division and also Toowoomba representative over a number of years, and also gained selection in the Queensland "Rangers" side that defeated New South Wales Country in Roma in 2003, a side that also included Wattles team mate Matt Grayson.

A prolific try scorer over his career, McMillan was the "Top Try Scorer" in the Toowoomba Rugby League competition in 2001 season touching down for a scintillating 26 tries (in only 16 "A" Grade games), and followed it up winning the same award in 2002 with 27 tries.

A former winner of the prestigious Toowoomba Rugby League "Colt of the Year" award, McMillan was a joint winner of the "Lew Platz Cup" as Wattles "Best & Fairest A Grade" Player in 2002.

Russell McMillan was a member of the Wattles Under 19 side that won the TRL premiership in 1998. His outstanding career and the experience gained along the way will be a vital bonus for the "Warriors" this season.

Glyn Rees

Rampaging back rower Brady Glass takes on the might of the Southern Suburbs "Tigers" defence in August last year. Glass was a member of the "Dalrymple Dongers" cricket side that finished in second place in last weekend's "Total Cool Solutions" Warwick Cricket Association Australia Day Carnival. Over the coming weeks he will be balancing cricket with the Allora Club and rugby league commitments, with Wattles looking to the talented 20 year old to play a leading roll in their forward pack over the coming season. Glass will don the "Warriors" green & gold colours in the clubs first outing in 2011 when they take on Southern Suburbs in a pre-season trial at Toowoomba's Clive Berghofer Stadium on February 19th.

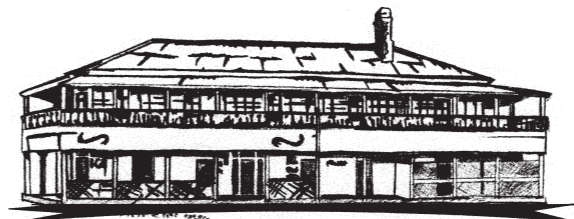

Letter to the Editor...

Dear Sir,

Les' Letter (The Allora Advertiser, 20th January 2011) appears to give the impression of his being non-plussed and confounded at present day catastrophic events, of earthquakes, tsunamis, flood, fires and famine etc.

With his knowledge of biblical principles, which is commendable, in this day and age, he has missed the vital signs given clearly in God's word of the earths early demise and the second advent of Christ. In Matthews Gospel 24:4-35, Mark 13:5-37 and Luke 21:25-36. In each reference the destruction of Jerusalem in AD 70 by Roman armies is described but also has a double application to the final destruction of our world, as we know it, just prior to Christ's return. These are warning signs calling for a positive response to a merciful and gracious God. There is much, much more on this subject. Too numerous to mention here.

Bob Wood,
Mt. Marshall.

Spring Creek Road re-opened under conditions

Southern Downs Regional Council and Main Roads have re-opened Spring Creek Road near Killarney under strict traffic conditions.

The road was closed between Carr's Lookout and Condamine River Drive until Friday last week due to slumping and subsiding embankments in two sections of the road controlled by Main Roads above Browns Falls. It also suffered some landslips on Council controlled sections of the road.

A geotechnical engineer reviewed the road issues on Wednesday 19 January, and Council road crews undertook urgent clearing and remedial works on Friday 21 January.

The road has been re-opened all the way through since Friday at 5pm, with single lane conditions in some sections.

For the foreseeable future, motorists will encounter stop/go traffic light conditions between Dagg's Falls and Carr's Lookout, and give-way signed single lane conditions with 30 km/hour limits from 2.3km above Carr's Lookout.

Southern Downs Regional Council Mayor Ron Bellingham said he was pleased to be able to get the road open, but implored motorists to take care.

"We're relieved to be able to open the road with the agreement of Main Roads, it will certainly assist local residents and businesses," Cr Bellingham said.

"Council will continue to monitor the landslip sections on this tourist route."

Locals urged to mark flood level at their property

Southern Downs Regional Council CEO Rod Ferguson is urging residents to keep a record of flood levels on their property for future reference.

Mr Ferguson said "Accurately recording flood levels on your property now will help future residents – whether it is yourself, a tenant or someone who buys your property – to make good decisions about placing infrastructure items around the property and to respond appropriately to future flood threats.

"The flood heights may seem extremely fresh in your mind now, but over time the exact levels can become hazy, or even over-exaggerated through word of mouth.

"We urge locals to take accurate records including photographs, notes and placing flood markers."

Mr Ferguson spoke from out on the road as he reviewed local flood damage with Southern Downs councillors on Tuesday, ahead of the General Meeting in Stanthorpe today.

He said he has been impressed with the huge community spirit that has emerged after the floods, but there is a long road ahead for full recovery.

"There has been a great deal of damage to roads infrastructure in the region," he said.

"We urge people to drive responsibly and think of others because it is going to be a very long haul to get the roads back into a reasonable state.

"It will be challenging and not everyone will agree with our priorities, but we call for people to remain patient and keep communicating with Council."

To report road damage in your area call 07 4661 0300.

Anyone who needs flood assistance can come to the Warwick Town Hall today between 9.30am and noon, or in Stanthorpe call 07 4681 5500.

**Drivers, utes, trucks needed urgently
for relief effort**

Southern Downs Volunteer Project co-ordinator Bette Bonney is calling urgently for more volunteer drivers and assistants in Warwick to help with the pick-up and delivery of large household items such as furniture and white goods. This help is needed now.

"We need more drivers and teams, and more utes, trucks or people with trailers who can help get these items from the people donating them to the people who need them," Mrs Bonney said.

The donated goods co-ordinators are thanking everyone for their generous donations, but request that people no longer donate clothing.

We have quite enough clothing now, what we're really after are small appliances like toasters and microwaves, white goods, furniture, kitchen utensils and linen," Mrs Bonney said.

Volunteer drivers are at the ready and can come and collect larger items in utes and pickups. To organise a pick-up, call 4661 0300 or visit the Warwick Town Hall on weekdays.

"We also urgently need a qualified electrician to tag and test the appliances before we can hand them out."

People needing assistance or requiring donated items should visit the Warwick Town Hall as the first port of call to get a referral for various goods.

"We've had people turning up directly at the St. Mary's Hall where the goods are being sorted, but they're not set up there to manage donations," Mrs Bonney said. "We're asking people who need help to come to the Town Hall first."

Valedictory

Staff Sergeant Major A. Hamilton has been transferred to Sydney after 2 years serving in the position of Sergeant Instructor of No. 2 Squadron, with headquarters at Allora and on Wednesday night he was honoured with a valedictory dinner at the Allora Town Hall. Besides a goodly muster of members of the A. L. H., a number of prominent residents accepted the invitation of the squadron and the proceedings were of a convivial and sociable nature.

The highest encomiums were passed on the guest of the evening by fully a score of speakers and never was praise better

bestowed, for Mr. Hamilton set an example of conscientious performance to the multifarious tasks pertaining to his duties, which has won him respect from all sections of the community. (The talents of Andrew Hamilton were not lost to the Allora district. He resigned his job with military forces to take up the position of Town Clerk for the Allora Municipal Council. He was appointed Shire Clerk with the new Allora Shire Council in March 1915 and held the position for the next forty years until his retirement in 1955)

A Licensing Prosecution
At the Allora Police Court last Tuesday before Mr. Pears P. M., the Licensing Inspector (Sgt. Kelly) proceeded against Honora Gallagher, licensee of the Railway Hotel, for permitting dancing on her licensed premises on Boxing Night contrary to the Licensing Act.

Evidence for the prosecution was given by Sgt. Kelly and Police Constable McGrath. Mr. W. J. Lilley appeared for the defence. Mr. Lilley submitted that the prosecution had not sufficiently proved its case.

The case was dismissed without costs. The P. M. took the opportunity of congratulating the town on its good order during the Festive Season as appeared from the records of the Court.

"Matt May Shines as 'Dongers' Finish Second in Cricket Classic"

The "Dalrymple Dongers" flew the flag for Allora in last weekend's "Total Cool Solutions" 2011 Warwick Cricket Association Australia Day Cricket Carnival, finishing second overall. The team won both their matches on Saturday, Day 1 of the Carnival, in this year's 20/20 format competition. While not rated in the top ten at the start of play on Sunday morning, they finished 62 runs ahead of Casino based side "Ring-Ins" to snatch second place in the prestigious event. Goondiwindi based former Allora local Matt May starred for the "Dongers" taking out the Carnival "Bowling Aggregate" award with 8 wickets over the weekend at an average of just three runs.

"Doc's XI", who have been competing in the Australia Day Carnival since 1993, finished as the top side in the 2011 event, from "Dalrymple Dongers", with "Goomeri Giants" in third place followed by "Badzy's Bandits". The "Dongers" finished the Carnival weekend with 13.33 competition points, effectively seven runs behind victors "Doc's XI". The WCA Australia Day Cricket Carnival is a significant event in Darling Downs cricket, and while it is an annual traditional attendance for teams from the Warwick regions, Northern NSW and the Burnett area, players taking part came from as far afield as Cairns & Adelaide.

"S.B.H. XI" were the first of the "Dongers" victims on Saturday morning at Warwick cricket headquarters Slade Park, defeated by 49 runs. Openers Luke Murdoch and Adam May got the Allora based eleven off to a great start with an opening partnership of 48. The May brothers excelled with the willow, Adam caning the "S.B.H. XI" attack hitting 47 off 35 balls while Matt was almost as devastating with 38 runs off 33 balls. The "Dongers" finished their twenty overs with 6 for 126, and then dismissed the "S.B.H. XI" for 76 runs. Medium pacer

Urgent safety works – Toowoomba Range

Transport and Main Roads advises motorists to expect significant delays when travelling on the Toowoomba Range as urgent safety repairs continue.

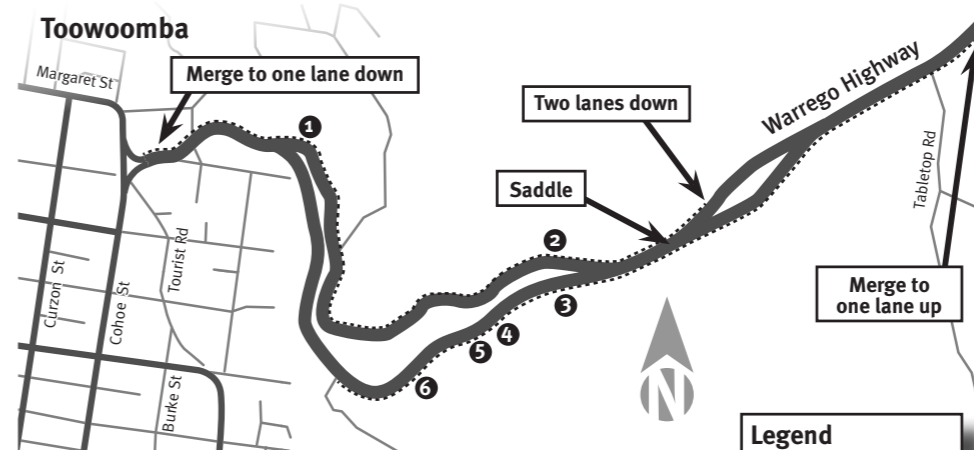

One lane in each direction is closed to repair the road that was damaged by heavy rainfall and major flooding around 10 January 2011.

Engineering and geotechnical experts are closely monitoring the situation to ensure safety is maintained on this vital road link while the works are underway.

Crews are working hard to re-open the Range, with both up (westbound) lanes expected to be open within three weeks. Complex geotechnical issues on the down (eastbound) section may take up to three months to repair. These estimates are based on fine weather conditions and no further damage happening to the road.

All works are subject to weather conditions.

- Limit travel on the Range to essential travel only
- Plan for delays by allowing more travel time than usual
- Be patient and drive to the road conditions, even if you can't see what work is happening

College, with the "Dongers" emerging 62 run winners after notching up a total of 9 for 133. Openers Aaron Viethier (18) & Chris Thomas (23) got the "Dongers" away to a solid start, Matt May then posted a handy 20 batting at number three. Young Will Duff, who shone in Allora colours in the side's recent win over WCA competition front runners Inglewood, had the "Dongers" tail wagging hanging in there tormenting "Ring In's" bowlers with his 19 not out, that included three boundaries. Andrew Petersen contributed 14 to the "Dongers" total before being run out, while Cameron Master posted eleven. "Ring In's" replied with 68 all out off 12.3 overs. Adam May shone with the ball, opening the "Dongers" bowling and finishing with 3 for 18 off four overs, while brother Matt produced the amazing figures of 3 for 5 off just 2.3 overs. Brady Glass also played a role in the destruction of "Ring In's" taking 2 for 25 off four overs. Members and organizers of the "Dalrymple Dongers" cricket team would like to sincerely thank the team's sponsors for the Australia Day Carnival; Allora Foodworks, the Railway Hotel, Allora, Adam & Alison May Plumbing, Allora; and Chris & Helen Thomas Rural Contractors.

"Feet Up For Allora"

The Allora "Foodworks" cricket side can enjoy a break this weekend as the Warwick Cricket Association play postponed Round 9 games. Allora played Inglewood at Inglewood in Round 9, finishing with a solid winning result, however wet weather in Warwick saw no other matches played. Allora are on a roll at the moment with two wins from as many starts in 2011. After this weekend's fixtures the WCA will split teams into Reserve and "A" Grade for the run into the 2010/11 finals. The "Foodworks" Eleven will take the field again on the weekend of February 5th & 6th.

Allora Golf Notes 23/01/2011

A few hardy souls swapped their golf shoes for gumboots at the golf course last Sunday. Due to the rice-paddy on the first fairway, a hastily-convened meeting of members decided that the first hole should be shortened to a forty-five metre par three for the competition round. Given the enormity of the flood damage to the course, it was a miracle that there was any play at all. The hardworking green staff need to be congratulated heartily for their work.

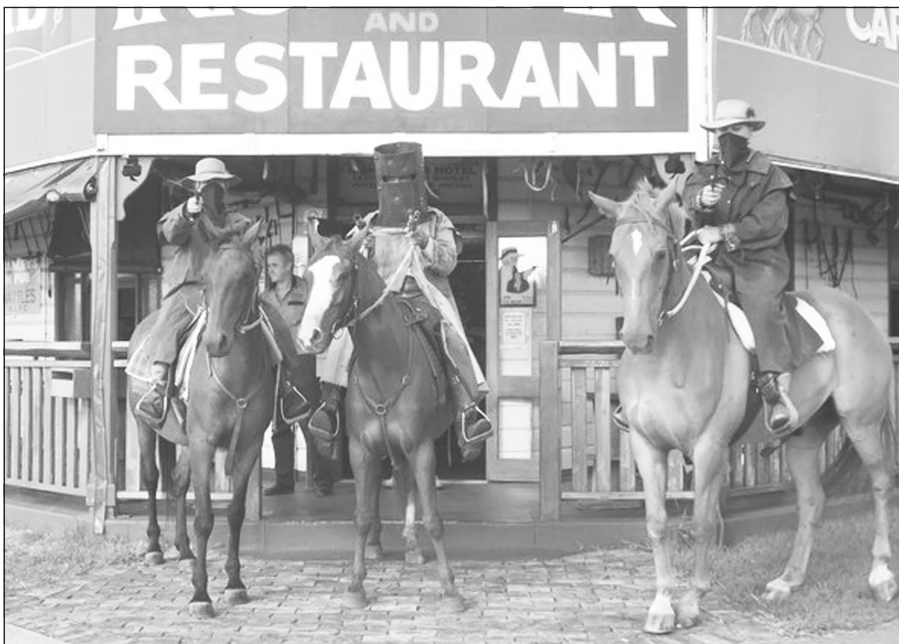

Due to the conditions, the advertised Monthly Medal (and Medal of Medallists) was postponed until Sunday, January 30 and a social round was conducted instead. That's not to say there were no winners with club member Ken Wilson on hand to present his annual trophies for the 2010 Eclectic competition. The winner of the trophy for the best gross score was Kev Harrison while Neil Chandler won the best net trophy. Many thanks go to Ken for organizing this event which he inaugurated some five years ago.

As mentioned, next week's competition will be the Monthly Medal (incorporating the Medal of Medallists) with hit-off from 12.00 noon. Don't forget your sand buckets and remember - to play is to live.

Fundraisers at O'Shanley's in Clifton

O'Shanley's Irish Hotel and restaurant, in Clifton, Queensland, just had one great fundraising event with another coming in the near future.

Firstly, our annual Australia Day RACQ Careflight fund raiser held yesterday, January 26th.

Activities commenced at 1pm. This was a fun-filled day for the entire family with events including free country music, horse-shoe throwing competition with prize money of \$100, six person team tug of war with \$200 prize, BBQ and whip-cracking. The Ned Kelly gang arrived to hold-up the pub in the afternoon (the public were taken unawares as the gang collected donations by holding up the customers - this took place at approximately 4.00pm). The public had the opportunity to have their photo taken with the Ned Kelly Gang. All monies raised from the day are donated to RACQ Careflight.

Secondly, Fred Brophy's Tent Boxing Troupe is appearing at O'Shanley's Irish hotel and restaurant Friday 4th and Saturday 5th of February. Fred Brophy's Boxing Troupe is the last of its kind in the world - as seen on SBS television. This event is in aid of the Queensland Flood Appeal and Clifton Showgirl entrant, Theresa Comerford. A fabulous BBQ dinner is available from 5.30pm. The boxing show starts at 7.30pm, admission \$25. For tickets call O'Shanley's on 4697 3288 or Theresa Comerford on 4696 3236.
