Wattles Edged Out By "Bears"

Former Brisbane Broncos fullback Tony Duggan ran on for the Wattles "Warriors" against the Oakey "Bears" on Sunday at Plate Oval, and while he added some class to the "Warriors" arsenal, it wasn't enough to overcome the "Bears" who claimed the premierships points winning 36 - 22. Duggan is a former Wattles junior who won the "Clifton Courier Shield" as Wattles player of the year in 2000. He had a distinguished career with the Toowoomba "Clydesdales" in the Queensland Cup, appearing for the "Broncos" in 2003 before heading to Britain where he became a household name as a star with the Celtic "Crusaders", scoring 101 tries in 88 matches. Of late Duggan has been playing in France, but will manage a brief appearance with the "Warriors" before heading back to Europe. Duggan ran on in reserve grade also on Sunday, contributing to the Ross Hentschel coached "Warriors" 42 - 20 win, playing alongside younger brother Mark Duggan, who played a starring role in the match.

It was a sad day on Sunday for all associated with Wattles, a minutes silence and tributes presented in memory of Mrs. Nell Quinn and also former club Presidents Dennis Kennedy and Terry Doyle.

Wattles "A" Grade performance could be considered the match that got away, with some glaring defensive lapses presenting Oakey with scoring opportunities. Former Queensland "Rangers" and Under 19 representative Russell McMillan strapped the boots on for the first time this year attempting to help lift Wattles to the victory dais. The "Warriors" let Oakey get away to a 24 - 0 lead after twenty minutes, the "Bears" running in four tries. When winger Jake Smith scored in the 24th minute, it signalled the start of a Wattle's revival. Minutes later centre Matt McCarthy ran onto a Tony Duggan pass launching into a forty metre gallop to the tryline. Classy lead up work by centre Luke Baker, Tony Duggan, back rower Brady Glass and five-eight Tim Hentschel resulting in a Luke Baker try five minutes out from half time.

Oakey led 24 -16 at the break, and while the "Warriors" looked threatening, a try to "Bears" lock Kahl Schemioneck early in the

second stanza reignited the visitors. Wattles front rower John Blaine scored from dummy half in the 58th minute, however Oakey answered with another try and held on for an important win.

Nick Colthup was Wattles' unsung hero, defending gallantly throughout and making plenty of hard yards with the ball, earning the "Player's Player" award. Brady Glass also shone with a classy all round performance along with Tony Duggan and Xavier Manley.

Oakey 36 defeated Wattles 22 (Matt McCarthy, Luke Baker, Jake Smith, John Blaine tries; Brady Glass 3 goals).

Wattles put in impressive performances in the lower grades, the "Railway Hotel, Allora" reserve graders ending a long drought of losses, and the "Allora Foodworks" Under 18's surging back in their match to register a 26 all draw with Oakey. Wattles were on the scoreboard after ten minutes of the reserve grade match, Alex Holohan running on to a Jeff Rees pass for a great try.

Oakey hit back to take the lead, but tries to Brian Wilson, Luke Miller and a gem by Under 18 player Mark Duggan had the "Warriors" in front 20 - 10 at the break. Wattles momentum continued in the second half, tries scored by Jeff Rees, Luke Miller and a brace by Brian Wilson to secure a much deserved victory. Brian Wilson was named "Player's Player", with his outstanding around effort, including a hat trick of tries. Front-rower Alex Holohan was another to shine alongside Mark Duggan who had already played in the Under 18 match.

Wattles 42 (Brian Wilson 3, Luke Miller 2, Jeffrey Rees, Alex Holihan, Mark Duggan tries; Will Manley 5 goals) defeated Oakey 20.

Oakey charged to a 12 - 4 lead by half time in the Under 18 match, Wattles only points an early try to centre Dylan Grady. Two further "Bears" tries after the break saw Wattles trailing 4 - 20, before front rower Carl Gale ran a great angle to crash over to score, jolting the Warriors back into the game. Gale put in a workaholic performance, including two tries to inspire his team mate. Fullback Travis Downie also snatched a try along with winger Ashley Dempsey who was in outstanding form. Dempsey saved some certain tries with his "never say die" defence, a key component in Wattles result. Jordan Henry was another stand out in the match, collecting the "Player's Player" award for his efforts.

Wattles 26 (Carl Gale 2, Travis Downie, Ashley Dempsey, Dylan Grady tries; Jordan Henry 3 goals) drew with Oakey 26. Wattles are on the road next Sunday, taking on the Dalby "Diehards" at Dalby in all grades.

BAD JOKE OF THE WEEK

A lady was walking down the street to work and she saw a parrot on a perch in front of a pet store.

The parrot said to her, "Hey lady, you are really ugly." The lady was furious! She stormed past the store to her work.

On the way home she saw the same parrot and again it said to her, "Hey lady, you are really ugly." She was incredibly ticked now.

The next day the same parrot again said to her, "Hey lady, you are really ugly." The lady was so angry now that she went into the store and threatened to sue the store and have the bird removed if they didn't do something about it. The store manager apologized profusely and promised he would make sure the parrot didn't say it again.

When the lady walked past the store that day after work the parrot called to her, "Hey lady." She paused and said, "Yes?"

And the bird replied, "You know."

NOT QUITE SO BAD JOKE OF THE WEEK

A cowboy named Bud was overseeing his herd in a remote mountainous pasture in New South Wales when suddenly a brand-new BMW advanced toward him out of a cloud of dust.

The driver, a young man in a Brioni suit, Gucci shoes, RayBan sunglasses and YSL tie, leaned out the window and asked the cowboy, "If I tell you exactly how many cows and calves you have in your herd, Will you give me a calf?"

Bud looks at the man, obviously a yuppie, then looks at his peacefully grazing herd and calmly answers, "Sure, Why not?"

The yuppie parks his car, whips out his Dell notebook computer, connects it to his Cingular RAZR V3 cell phone, and surfs to a NASAPage on the Internet, where he calls up a GPS satellite to get an exact fix on his location which he then feeds to another NASA satellite that scans the area in an ultra-high-resolution photo.

The young man then opens the digital photo in Adobe Photoshop and exports it to an image processing facility in Hamburg, Germany.

Within seconds, he receives an email on his Palm Pilot that the image has been processed and the data stored. He then accesses an MS-SQL database through an ODBC connected Excel spreadsheet with email on his Blackberry and, after a few minutes, receives a response.

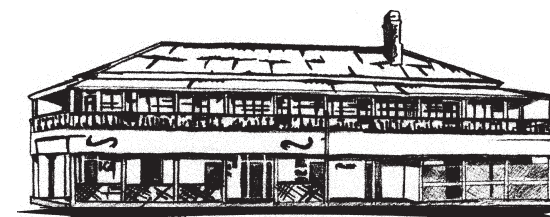

Finally, he prints out a full-color, 150-page report on his hi-tech, miniaturized HP LaserJet printer, turns to the cowboy and says, "You have exactly 1,586 cows and calves."

"That's right. Well, I guess you can take one of my calves," says Bud.

He watches the young man select one of the animals and looks on with amusement as the young man stuffs it into the trunk of his car. Then Bud says to the young man, "Hey, if I can tell you exactly what your business is, will you give me back my calf?"

The young man thinks about it for a second and then says, "Okay, why not?"

"You're a senator in Julia Gillard's Labour Government", says Bud. "Wow! That's correct," says the yuppie, "but how did you guess that?" "No guessing required." answered the cowboy. "You showed up here even though nobody called you; you want to get paid for an answer I already knew, to a question I never asked. You used millions of dollars worth of equipment trying to show me how much smarter than me you are; and you don't know a thing about how working people make a living - or about cows, for that matter. This is a herd of sheep... Now give me back my dog."

Looking Back...

Allora's Past 100 years ago July 1910 A BUSINESS PURCHASE

Our readers will be interested to learn that Mr. John Scott, who recently disposed of his general business in Allora to Messrs. Lound & Colclough, has purchased the drapery business of Jones & Co., Dalby which is described as the largest purely drapery business on the Downs outside Toowoomba. Mr. Scott, who has been waving a free leg since leaving here, has inspected quite a number of businesses, and the one above-mentioned has appealed to his commercial instincts as being the best investment from every point of view. He does not enter into possession for a few weeks, which he will employ in winding up his affairs in Allora. We wish him every success in his new venture. The firm of Scott & Co. had expanded the general store on the Herbert and Warwick Street's corner after having absorbed the existing firm of Kellett & Symes in 1908. Mr. Isaac Holmes was a partner in the firm of Scott & Co. but following his death in November 1908, the store was carried on by John Scott and Leonard Symes under the name of Scott & Symes. In October 1909, Symes sold his share to John Scott who in turn sold to F. S. Lound and Matthew Colclough in May 1910. John Moorhead bought out the firm of Lound & Colclough in December 1910.

Following the disastrous fire on the Drayton

Allora's Past 125 years ago July 1885 Pumpkins and Horses

Mr. George Essex Evans, Allora correspondent for "The Queenslander", writes in answer to a reader's query on how to teach horses to eat pumpkins. "I consider pumpkins to be a first-rate winter feed, keeping the bowels open and giving a gloss to the coat. It is very hard to get horses to take to them. I have tried almost every way that I could think of - chopped the pumpkins up and given it with chaff and corn, put salt into the nose bags, boiled it- to no purpose. We had a good supply last winter and wanted to feed our horses on it, but they would not touch it. The only way is to get a horse that has been fed on pumpkins and let him go with your horses. Break the pumpkins on the ground and he will soon teach the others to eat, and when once a horse takes to them, he will become very fond of this feed. For feeding prize stock they are of great value. One boiled pumpkin is worth two uncooked ones."

George Essex Evans worked with his brother J. B. O. Evans on the property "Wyon", which was later owned by Martin Phelan.

Pilton Station Centenary Celebrations -

Things are getting a bit prickly in Pilton. Some of the local men are looking a bit rugged, letting those whiskers grow to see who might have the best looking beard, moustache or mutton chops. If you think you can excel in any of these categories, you had better get cracking. Participants are a bit light on in the moustache and mutton chops section so cultivate those faces fellas. Others are having fun preparing horses to carry pack saddles with some comical results. There are also ladies sewing masterpieces, so they will look the part.

Wondering what's happening in the Pilton district? They're not just trying to keep warm during the cold winter months. There are big celebrations planned for the 4th September!

Lets go back a few years... It was on Thursday, Feb 10, 1910, in the Clifton School of Arts, that Dalgety & Co, in conjunction with Moreheads Limited, undertook the public auction of the remaining 33,514 acres of Pilton Station on behalf of the then owners, Pilton Estates Company Limited.

The area as shown on the sale advertisement was in five subdivisions comprising 176 farming blocks. Blocks adjoining Kings Creek were very popular and sold immediately, and while some areas were further divided, only about 30 blocks remained unsold.

These blocks became available for private sale from all local agents and from Pilton Estates. Within two years all land was taken up.

To mark this historic occasion, the Pilton Station Centenary Celebrations Committee was formed and have been putting in masses of hours getting Celebrations together. It all happens at the Pilton Soldiers Memorial Hall, the first Soldiers Memorial Hall built in Australia. A parade starts the day at 9.30am. This will include a 1910 polo team, Light horsemen and other ridden and pack horses, horse drawn and motorised Vintage vehicles. You might see a 1910 surveyor, a swaggie and maybe even Joseph King and James Sibley, who first settled Pilton, plus lots more.

Following the parade there are lots of historical displays, re-enactment of a school room with local school children and a home church service, bush dance display, cow milking and sheep shearing the old way and more. Local historian Shirley Murray has been hard at work putting together a history display tracing the ownership of each block. A Tea & Damper morning tea, drinks and Lunch will be available.

The day doesn't finish there. There will be a Pioneer Ball

Warwick Potters -

Rob (see photo right) is a member of the Warwick Potters' Association and, along with other members, have made over a hundred soup bowls for the Clubs Annual Jumpers & Jazz Soup Night. The Potters are proud to show their craft, and the opening of their 31st Exhibition to the public on Thursday, 22nd July 6.00pm for 6.30pm will showcase their work. The club this year is fortunate to have Mrs Audrey Hoffmann to open the exhibition.

As a special treat on this night only, pottery bowls can be purchased for \$10.00 with a choice of soup to help ward off the wintery chill. Members of the club do themselves proud with a variety of home made soup such as zucchini, vegetable, tomato, pumpkin, pea and ham and potato and leek. Soup is only available on opening night so we look forward to seeing you there. July is normally a cold month so patrons get a chance to wear their jumpers and scarves while being entertained with live jazz music performed by Deeny.

After the official opening, the gallery is open 10am to 4pm, Friday through to Sunday.

The Potters Place is situated at 63 Horsman Road, Warwick, and the club hold regular beginners classes and workshops for adults. Enquiries please phone Sue 0402 460 919.

Letter to the Editor...

Grubs in the Bush -

Dear Sir,

Please find the attached photo's of the tyres dumped by some thoughtless "Grub" on Talgai West Road. They probably thought it was very funny, but have now left refuse on my road as they were too lazy or didn't want to pay the dump fee to dispose of their rubbish properly.

I don't think it's funny as I see this every day!

Maybe by the spring the "Grubs" will come back out of their burrow and do the right thing with this eyesore.

Graham Eagle, Allora

Above and far left - old tyres dumped along the sides of Talgai West road.

Dave's Delectable Dish... Vietnamese noodle and beef salad

Serves: 4
Preparation time: 10 mins
Cooking time: 8 mins

INGREDIENTS

500g beef strips
1 stalk lemon grass, finely chopped
1 small red chilli, seeded and chopped
2 cloves garlic, finely chopped
1 tbsp fish sauce
1 tbsp soy sauce
1 tsp sugar
200g mung bean thread vermicelli
1 tbsp oil
2 spring onions, finely sliced
1 red capsicum, cut into strips
1 punnet cherry tomatoes, halved
1 tbsp sesame seeds, toasted
2 tsp mint leaves

METHOD

- Place the beef strips in a bowl. Pound together the lemon grass, chilli and garlic in a mortar or blender. Add the fish sauce, soy sauce and sugar, mix well. Combine with the beef strips, marinate for 30 minutes.
- Soak the noodles in boiling water until just tender (about 5 minutes). Drain and snip into manageable lengths with scissors. Add the oil to the beef, mix well.
- Heat the wok, ensure it is hot. Stir-fry the beef strips in 3 batches, reserving each cooked batch to rest in a bowl. Reheat wok between each batch.
- Toss beef together with the noodles, spring onion, capsicum and tomatoes. Scatter with the sesame seeds and mint.

TIPS

- Serve with lime wedges if desired.
- Cook meat in small batches, at a maximum of 250g at a time. When you add the meat to the wok, work from the outer side of the wok into the centre where it will be hottest.
- Best beef cuts for stir-frying: Use beef stir-fry strips or prepare your own from rib eye/scotch fillet/tenderloin, sirloin/porterhouse/New York, rump, boneless blade, round, oyster blade or topside steaks.

Last chance for schools to apply for \$5.2M Schools First Awards

Schools, community groups and businesses throughout Australia are being reminded to make sure they submit their applications for the \$5.2 million Schools First Awards prior to the official closing time of 5.00pm AEST on Friday, 30 July, 2010. Schools First is brought to life by NAB in partnership with The Foundation for Young Australians (FYA) and Australian Council for Educational Research (ACER). "Schools First is committed to rewarding and acknowledging schools that are working in partnership with their local community to improve the lives of young people", said Jodi Cryan, Head of Schools First, NAB. "This year we have 108 awards ranging from \$25,000 to \$500,000 available for schools all around Australia, and we strongly encourage schools to make sure

they submit their application online at the Schools First website prior to applications closing on July 30." In its second year, Schools First is open to all primary and secondary schools across Australia. This dynamic national awards program is based on research conducted by ACER that indicates a student's education is improved when they are engaged with their community. The aim of Schools First is to reward and recognise schools that improve student outcomes by working in partnership with their community. A community partner may include small, medium or large business, local government, not-for-profit organisations, health organisations, sporting clubs - just to name a few! In 2009, Schools First received a total of 1,552 applications were received, representing a wide range of amazing partnerships around the country that are achieving exciting results for

students. There are two categories of awards to which schools can apply - Impact Awards and Seed Funding Awards. Forty Seed Funding Awards are available at \$25,000 for schools that are in the early stages of a community partnership that is yet to demonstrate improved student outcomes. An additional sixty-eight Local Impact Awards valued at \$50,000 each are allocated to schools that can demonstrate they have improved outcomes for their students through their community partnership. One winner in each state and territory will then go on to receive an additional \$50,000 as their respective State Winner. One state winner will then become the National Award winner, receiving an additional \$400,000. Applications are open to all schools in Australia from June 28, 2010 to July 30, 2010 via www.schoolsfirst.edu.au.

Junior Warriors host Millwood at Platz Oval.

The Junior Warriors played matches at Platz Oval on Saturday. **Flynn Electrical U7's** - The littlest Warriors all played a heck of a game on Saturday. The team was prepared to mix it with the Rams in attack and defence scoring some super tries. Meacle and Meddleton both crossed for doubles and Scott and Pogany ran with determination to also score magical four pointers. McMahon, Pogany, Willett and Scott all made plenty of good tackles repelling the Millwood defence. The team is playing with little coach support and the improvement from all players is evident at the season gets into the second half. Award Winners: Foodworks Jackson Pogany, Hungry Jacks Michael Shingles, Red Rooster Elijah Hall. Go the Warriors.

Wattle Brae U8's - The team put in their best game this season with all players keen to be involved in the defensive workload. They racked up plenty of points running the ball strongly. Tries were scored by Peardon 2, Stace 2, McDougall 2, Sullivan, Brown, Bashford and Obergruben. McDougall's second was a ripper, running the length of the field after the Warriors spent a long period defending their line. Peardon was another to run the length proving elusive and fast. Philp, Cunningham, Obergruben and Hamblin were very solid in defence with Hamblin tackling low and hard. The team is playing attractive footy and are a pleasure to watch in action. Award winners: Foodworks Declan Sullivan, Hungry Jacks Travis McDougall, Red Rooster Darby Peardon.

Ryanie for Tyres U12's - The 12's inflicted a 44 to 6 defeat playing very well for most of the game. The team did drop some ball at crucial times however proved too strong running out easy winners. Matt Timbs signaled a fine return with 3 powerful tries. Halfback Morris was always backing up and was rewarded with 2 fine tries through good support play. The team defended great and did not allow Millwood to gain momentum. Duncan, Morris, Rubie, Moore and Shooter topped the tackle count in a good team defensive effort. Tries were also scored by Willett, Bannister and Rubie with successful conversions by Parry, Bannister, Duncan, Shooter, McMahon and Thompson. Best in the forwards were Rubie, Timbs and McMahon. The backs were led by Morris and Duncan and when the opportunity arose made good ground. Award Winners: Foodworks Robert Bradfield, Hungry Jacks Liam Duncan, Red Rooster Jordan Humberdross.

Wildcat Earthmoving U13's - The 14's ground out a tough 14 to 8 win. The team played well in patches and when the intensity is there looked very good. Putting in the effort for the full game will be the goal in the coming weeks. Welcome to new players Kyle Munro and Rhys Humphrey. Both had solid games with Munro at fullback standing out. He saved two certain tries with great tackles and was always in position to pick up the loose ball. Humphrey gave good service from dummy half and helped the forwards gain momentum with crisp passing. Wakeford in his first game back from injury was terrific with his defence a standout. Neilsen, Somes and Lack gave their usual big efforts and Morris directed the team well. Tries were scored by Lack, Neilsen and Somes with Morris kicking one conversion. Award Winners: Foodworks Max Somes,

Hungry Jacks Kyle Munro, Red Rooster Rhys Humphrey. **Rod Frahm Real Estate U14's** - The 14's won a one sided game by 38 to 4. The team was always on top and it was the forwards who laid the platform for the backs to run rampant. Morris, Johnstone, Ranger, Duff and Brown took the metres on offer with strong running. Johnstone had his best game of the season continually picking up ground with enthusiastic running. The backline were electric with quicker service from Henry to five eighth Hibberd the catalyst for some superb tries. Sharman and workaholic backrower Morris each scored a treble running into gaps with precision. Hibberd crossed for an elusive try to finalise the scoring for the Warriors. Wright at fullback was solid running the ball upfield from the Millwood kicks. Jacob James in his first game for some time went well and others to give sound performances were centers George Hoey and Ben Comerford. Hooker Jack Rubie had a great game getting the team moving forward as well as grabbing easy metres when on offer. Great game guys. It was pleasing to see everyone keen to be involved in the tackling and then backing up the ball carrier.

CJR Plumbing U16's - Millwood won the 16's by 34 to 12 with the Warriors playing some great football in periods. The team's mistakes especially in their own half were very costly and when the Warriors held the ball for full sets they were able to mount good pressure in attack. Too often turnovers led to Millwood tries which may have been avoided. Jason Wilson led the forwards with a very good game. Jack McAntee, Coley, Morris and Willett tried hard and made ground when the opportunities came. Ryan Lewis played well and Halfback Michael Duggan directed the team around the field. Tries were scored by Jesse McDougall, Wilson and Coley. All were scored out wide and no conversions were successful. The team continues to get top marks for effort and all players gave everything till the hooter. Award Winners: Foodworks Jason Wilson, Hungry Jacks Jarrod Coley, Red Rooster Shaun Way.

This week the Warriors have a bye. See you all at training on Thursday afternoon.
