## Have your say in Allora and steer your community's economy

The Allora Task Force (ATF) raised their hand to host the fourth Economic Development Strategy community meeting at the Allora Community Hall last night, May 12, at 6.30pm. The Allora Task Force was formed in March this year to progress the provision of medical services in the town, with the availability of a doctor seen as a key element in the ongoing economic growth of Allora.

Following on from previous successful meetings in Stanthorpe and Warwick, the Allora meeting continued to gather and gauge community feedback on the future framework for economic development in our region. The workshop is an important building block in the preparation of the Southern Downs Economic Strategy, due for completion later this year. As Southern Downs Economic Development Officer John Randall explained, obtaining key public input is vital to developing a cohesive economic plan for the region's future.

"It allows the community to voice their ideas, concerns and visions and then converts them into a workable action plan," Mr Randall said.

"The ATF has been working very hard on the doctor issue and have been engaging across the whole Allora community.

"This makes them an ideal choice for hosting the public economic development strategy meeting."

The Chair of the Allora Task Force, Jon Constable and ATF member, David Dwan, are both making their mark in the preparation of the economic blueprint for the region.

"As well as our involvement with the Task Force, David and I have been in business in Allora for some time now," Mr Constable said.

"We both reckon that a formal strategy is essential for our region to be able to take advantage of the many opportunities both now and in the future."

Mr Randall said that there would be further meetings across the region and encouraged all residents to watch the press for information.

"Alternatively, people can go online to the Council webpage under Economic Development and follow the links, or they can ring me at my office on 4661 7332."

## CHAMBER URGES BUSINESS TO GET ON FACEBOOK

Warwick's small business operators should look seriously at Facebook, Twitter and even YouTube to market their products to a bigger audience.

Chamber of Commerce President, John Randall, is urging all local businesses to look at joining the move to online social marketing.

"In the past, traditional sales through advertising has always been one-way, with the business operator talking to the customer in a monologue. Then the customer reacts whether they are interested or not."

"How many of us now grab the Yellow Pages before Google to find a business solution? The simple answer is fewer by the day."

"What the experts now are suggesting is that we talk in a two-way manner to our customers. By using social networking sites we can utilise relationship marketing, which is what any salesperson uses when they are face to face or on the phone." Small business management gurus such as Pete Switzer from Sky News Business Channel are strong supporters of business going on-line to both sell their product but also, more importantly to get to know their customers.

Mr Switzer was recently quoted in The Australian newspaper as saying, "Twitter, FaceBook and other networking sites are the new-age mediums for something that has always worked - relationship marketing. Networking by showing up to events has always worked, but nowadays, many customers want to do it digitally."

John Randall added that as the cost of doing business increases, with factors such as interest rate rises and higher superannuation levies, most local businesses are looking at ways of reducing their marketing overheads.

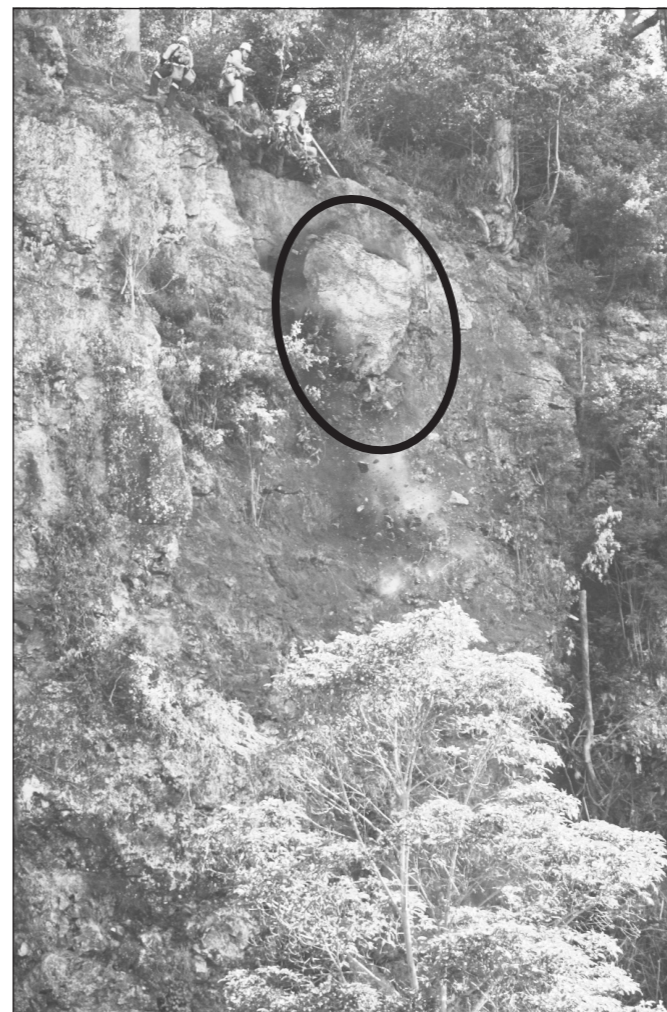

"Sure, it takes a bit of initial effort, and maybe they may have to get some outside help. But there are already a few of our Chamber members who have gone in this direction to grow their business."

"And it's not only the obvious operators such as homeware shops, hairdressing or fashion retailers. There are now in Warwick, operators in the industrial supplies business and similar operators who have gone outside their comfort zone and developed important relationships with both new and existing customers."

"Another positive benefit to going on FaceBook etc, is that business owners can meaningfully engage their younger, maybe Gen Y staff members, who are so savvy with this particular medium. A common theme amongst Chamber members is how do we connect with Gen Y staff, who normally don't respond to normal workplace incentives."

"Mention FaceBook, YouTube or Twitter to them, and watch their productivity go through the roof."

For further information regarding FaceBook marketing for Warwick business, please call Chamber President, John Randall on 4661 7332.

LEFT FROM TOP: Main Roads crew cuts out a boulder (circled) from roadside cliff face on Cunningham's Gap

## Update on the Cunningham's Gap works: large boulder removal.

Everything is going to plan with minimum delays because of wet weather.

On Wednesday, 5 May, a significant portion, approximately 23 tonne of the remaining boulder overhang on the rock wall face at The Gap was removed successfully without any damage to the road surface.

Work is on track to be completed mid to late May. Motorists have been very patient with the 2 x two hour closures and the Department appreciates their ongoing understanding as works are finalised.

### Old Buffer's Race

A report appeared on Monday's celebration by the Warwick St. George Society. An event which caused a great deal of amusement was the old men's race. In this fourteen started, the handicaps according to age stretching out from scratch to 32 yards in 100 yards. The winner was G. Summerfield (Ipswich) who was on 23 yards and was the only one of the old buffers to turn out in orthodox running togs. Second place was secured by Thomas Maher (Allora) on 32 yards and third place was filled by H. Sterne (Warwick) on scratch. The age of the winner was given as 63 years and of the second man 72 years. Only those of 40 years and over were eligible to start.

### New R C Parish

We understand that His Grace, Archbishop Dunne, has decided to grant a new R C parish, with Clifton as its centre. It is reported that the position of resident priest has been allotted to Rev. Father Cosgrove, at present at Nanango. We had hoped to hear that the prayer of a large delegation of Allora Roman Catholics which waited upon Archbishop Dunne, asking that a resident priest might be stationed at Allora and a new parish formed here, had been granted, but evidently the representations made by the Clifton Catholics carried greater weight with His Grace.

## BAD JOKE OF THE WEEK

About a month ago, a man in Amsterdam felt that he needed to confess, so he went to his priest, "Forgive me Father, for I have sinned. During WWII I hid a refugee in my attic."

"Well," answered the priest, "that's not a sin."

"But I made him agree to pay me 20 Guilders for every week he stayed."

"I admit that wasn't good, but you did it for a good cause."

"Oh, thank you, Father; that eases my mind. I have one more question..."

"What is that, my son?"

"Do I have to tell him the war is over?"

## Junior clubs in Southern QLD can apply for a share of more than \$1 million in equipment grants

Telstra has committed more than \$1 million to support eligible junior sports and community clubs across Australia with equipment grants as part of the 2010 Telstra Assistance Fund. Since 2003, the Telstra Assistance Fund has provided over 5,700 sports and community clubs across Australia with more than \$7 million worth of equipment.

These equipment grants are available for eligible junior rugby league, AFL, swimming and surf life saving clubs, and the program will be expanding to include the Telstra Country Music program and The Australian Ballet.

Telstra Area General Manager Southern Queensland, Nigel Beaman, is pleased to offer local community organisations the chance to receive these equipment grants.

"Through the Telstra Assistance Fund, we are able to provide the opportunity for our local clubs to get hold of the equipment they need to provide a better service for their members," said Mr Beaman.

"These clubs are an important part of our local communities, and this equipment has the potential to encourage participation by our young people in their chosen field," he added.

Telstra understands the passion local communities have for their sports and community clubs and continues to support these communities at a grassroots level.

Telstra's commitment to supporting these clubs through Telstra Assistance Fund equipment grants means that more people in the community can reap the benefits of what these clubs have to offer.

To apply, eligible clubs simply need to go to the website at [www.ideasforgood.com.au/taf](http://www.ideasforgood.com.au/taf), identify the most appropriate equipment package for their club and provide a summary of how the equipment would benefit their club.

## Allora library undergoes refurbishment

Allora's library will be closed next Monday as painters put the final touches on a new paint job.

Principal Librarian Samantha Shelbourn said that the painting work forms part of a refurbishment program, currently under way in the library.

"Along with a fresher and brighter environment, library users will encounter a makeover in the children's library section," Ms Shelbourn said. "We have totally revamped this section with bright new children's furniture."

As a result of some rearranging, the Allora library will be able to offer more stock in large print and audio visual, with a view to increasing the size of the total Allora collection.

Ms Shelbourn said that staff were looking forward to celebrating completion of the refurbishment with a special Storytime session scheduled for Monday May 24.

"This is the first ever Storytime for Allora and we'd love children and adults alike to come and see our new space, join in with our stories, song and craft, and stay for light refreshments afterwards," Ms Shelbourn said. Depending on how the Storytime session is received, Ms Shelbourn hopes to continue the program on a more regular basis.

The 2pm Storytime session will be followed by afternoon tea, which is open to anybody who would care to join in, not just Storytime participants.

Enquiries may be directed to the Allora Library by telephoning 4666 3742 between the hours of 1pm and 5pm, or the Warwick Library by telephoning 4661 0342 during normal library hours.

## Dave's Delectable Dish... Lamb Tagine

### INGREDIENTS

1.5kg shoulder lamb, diced	2 tbs tomato paste
1 large Spanish onion, grated	375ml beef stock
2 garlic cloves, crushed	1 bay leaf
1 bunch coriander, leaves chopped	30g butter, diced
1 cinnamon stick	2 tbs honey
1 tsp ground cumin	240g can chickpeas, drained, rinsed
1 tsp ground ginger	1/2 cup green olives
1 tsp paprika	Chopped mint, to garnish
1 tsp saffron threads	
120ml (6 tbs) olive oil	
1 large piece orange peel	
800g chopped diced tomatoes	

### METHOD

Combine lamb, onion, garlic, coriander, spices, oil and 1 teaspoon salt in a bowl. Cover and refrigerate overnight.

Preheat oven to 160°C. Heat a non-stick frying pan, add lamb in batches and fry until lightly browned all over. As meat is cooked, place in a tagine or casserole dish. Add orange peel.

Drain tomatoes, reserving juice. Set tomatoes aside. Combine juice with tomato paste, then add to meat with stock and bay leaf. Cover and cook in oven for 1 1/2 hours. Use a slotted spoon to transfer meat to a plate. Place dish over high heat (if you are using a tagine you will need to transfer the liquid to a frying pan).

Add diced tomatoes and butter and reduce for 2 minutes, then add honey, chick peas, olives and meat. Cook, stirring, for 1-2 minutes. Garnish with mint.

## "Warriors" Mauled as "Tigers" Roar

The Southern Suburbs "Tigers" signaled a major form reversal on Sunday, winning their first game of the 2010 Toowoomba Rugby League season when they overwhelmed the "Queensland Farmer's Warehouse" Wattles "Warriors" by 42 - 28 at Clive Berghofer Stadium.

The "Tigers" hit the ground running on their adopted home turf, scoring four tries in the initial 28 minutes to have Wattles reeling with the score at 28 - 0. Their classy lock forward Jake Laing put in a star studded performance that included crossing for three tries. Wattles took 35 minutes to get on the scoreboard in a match they could very reasonably be expected to win on recent form. First points came when halfback Xavier Manley flicked an inside ball to fullback Brenden Wilson who beat no less than four "Tigers" defenders on his way to the try line. With the half time hooter about to sound, scheming five eight Tim Hentschel served up a short ball for back-rower Brady Glass to charge over for a second "Warriors" try. Both sides went to

the break with the score at 30 - 12 and the "Tigers" enjoying a real sniff of victory. Wattles emerged and managed to win the second stanza by 16 - 12, but it was far from enough to reel in South's points glut of the first half hour of play. Tim Hentschel fooled the defence with a clever dummy in the 47th minute to add to Wattles total, and talented young hooker Harry Gibson scored his first top grade try running off an inside flick by Xavier Manley. Form front-rower of recent weeks Jason Nightingale also added four points as Wattles tried desperately to reach south's total, scoring off a clever Hentschel pass in the closing minutes of the game.

Tim Hentschel was among Wattles' better performers, running the ball well throughout and testing the defence at every opportunity. Liam Ross also shone coming off the bench, while Brady Glass was another to stand out with a solid all-round effort. His combination with Hentschel a positive in the Wattles team performance. Back rower Jesse Keys was recognized by team mates for his efforts with the "Player's Player" vote. Brothers Brian & Brenden Wilson teamed up in "A" Grade for the first time this season, and along with hard running prop Jason Nightingale also rated among Wattles best.

Southern Suburbs 42 (Jake Laing 3, Geoff Betros, Cameron Wuersching, Paul Guiffrida, George Fry tries; Simon Sweeney 7 goals) defeated Wattles 28 (Brenden Wilson, Tim Hentschel, Harry Gibson, Jason Nightingale, Brady Glass tries; Brady Glass 4 goals).

**Taste of Defeat** - Wattles "Railway Hotel, Allora" reserve graders tasted their first loss of the new season when Souths finished ahead of them 32 - 16. Reliable hooker Luke Miller defended relentlessly while utility

Talented hooker Harry Gibson hits the turf at Clive Berghofer Stadium last Sunday as Wattles were defeated by the Southern Suburbs "Tigers" by 42 - 28. Wattles' "Player's Player" for the match, second-rower Jesse Keys is also on hand to render assistance.

forward Scott Miller impressed off the bench. Young second-rower B.J. Perks enjoying his first season in open age football was named "Player's Player" for Wattles. Perks was very creative in attack, and ran well with the ball, always beating the first tackle. Wattles were well in the game at the break trailing 8 - 16. Souths scored the first try of the match in the 11th minute, but the "Warriors" retaliated soon after beginning with

a great off load by prop forward Alex Holihan to Joshua Johnstone 60 metres from the try line. Johnstone drew the defence passing to John Byrne who in turn sent winger Damien "Tonguey" McDonald in for the first of his two touchdowns. Wattles trailed 4 - 6 before Souths touched down again at the 20 minute mark. Big hard running outside back Steve Hughes crossed for Wattles second try 13 minutes prior to the break, carrying three defenders over the line with him after running on to a John Byrne pass ten metres out. Sixteen minutes into the second stanza Souths were holding a comfortable 32-8 lead when Damien McDonald scored again after gathering a spilled ball as a result of a Byrne grubber kick. Luke Miller charged over to score soon after to give Wattles their final tally. Halves Byrne & Brian Wilson very capably steered Wattles around the park, while big men Alex Holihan and Luke Whitton never stopped trying. Southern Suburbs 32 (Kyle Athorn 2, Scott Fitzgerald 2, Nicki-John Harch, Tim Mills tries; Kyle Athorn 4 goals) defeated Wattles 16 (Damien McDonald 2, Steve Hughes, Luke Miller tries).  
**Carl Shines in Face of Defeat** - "Tigers" Under 18 fullback Tommy Orcher had a field day in his side's 64 - 10 win of the "Allora Foodworks" "Warriors", scoring four tries. "Mr. Consistency" prop forward Carl Gale was outstanding for Wattles, while halfback Mark Duggan, second-rower Jake Dingle, fullback Travis Downie & lock forward Liam Ross were all among Wattles' best. Wattles trailed 10 - 34 at half time, scoring all their points through tries to five eight Jordan Henry

and winger Cheyenne Macura, along with a conversion by Henry, in the first stanza. The "Tigers" crossed twice in the first five minutes to lead 12 - 0, before Henry put Wattles first points on the board. Gale and Ross had been held up in goal as Wattles stormed the "Tigers" line. Duggan gained possession and chipped a well directed grubber to the line, the ball hit the posts and into the arms of Henry to score a much needed try. While Souths hit back to lead 16 - 6, winger Macura found himself unmarked after a Wattles backline play to score ten minutes from the break. Souths posted three more tries before

### Allora Bowls Club -

A big thanks to all who were able to lend a hand over the last couple of working bees held at the sports club recently, the club house is looking a million dollars. It has been a while but we are going to play off the club championship finals for pairs and triples on Saturday, 15th May, commencing 10.00am. Triples to start off the day with Allan Slatter, Lynne Patterson & Greg Patterson v. John Chandler, Andrew Jakins & Trevor Shields. Followed by pairs with A. Slatter & G. Patterson v. J. Chandler & A. Jakins. Please confirm availability on 4666 3290 Monday-Friday between 8.00am to 5.00pm.

### Ladies Indoor Netball -

Last week's winners were: All Saints, Pink Panthers and Mojo's. This week's draw is: 6.30pm - Allsorts v. Chikerboom (Tiggers to umpire); 7.30pm - Tiggers v. Mojo's (Chikerboom); 8.30pm - All Saints v. NJam (Mojo's); Bye - Pink Panthers. This season there is a duty team rostered on each game. This team must umpire the game they have been rostered on to, and failure to do so will result in that team losing 2 competition points. This shares the umpiring duties evenly amongst all teams, instead of just a few teams volunteering to do it every week.

halftime and another five unanswered in the second half. The "Tigers" enjoyed a glut of possession throughout, while the young "Warriors" were tiring due to their defensive workload. Southern Suburbs 64 (Tom Orcher 4, Brodie Ciesiolka 2, Jake Wade, Sam Bielefeld, Liam Mortimer, Jack Henningsen, Aaron Waters tries; Brodie Ciesiolka 6, Sam Bielefeld 4 goals) defeated Wattles 10 (Jordan Henry, Cheyenne Macura tries; Jordan Henry goal).

Wattles are hosting their "Super Club Day" this Saturday at Platz Oval, when they host the Goondiwindi "Boars", seniors & juniors in a full day of footy. It's a phenomenal program of games commencing with Under 7's including all age grades through to First Grade. Results of all matches from Under 11 up will be calculated at the end of the day with the winning club taking home the "Wattles Super Club Challenge Trophy". The "Super Club Challenge" day on Saturday is kindly sponsored by Allora's own "Best Little Butcher Shop on the Downs", Grant & Janette Lollback's Allora Butchery.

The "Boars" are yet to register a win in any grade after three Rounds of the 2010 Toowoomba Rugby League Premiership. That hunger for a win and the talent they boast in their player stocks should serve as a warning to Wattles they are not to be taken lightly. Wattles "A" Grade line up will be minus team skipper Aaron Scheid who sustained a knee injury mid week. Scheid's loss, which may be long term, is a significant blow for Wattles who will miss his considerable work rate. Nick Colthup comes off the bench to lock Wattles scrum in Scheid's absence while experienced utility forward John Blaine moves on to the bench after a spell in Reserve Grade. Exciting young fullback Marshall Scott who has been missing in first grade of late due to injury will run on in Reserve Grade on Saturday.
