## Scheid & Baker Share Wattles Top Honours

Aaron Scheid & Luke Baker shared the Wattles Rugby League Clubs most prestigious award when they were named joint winners of the Clifton Courier Shield as Players of the Year for

2011 at Wattles Annual Banquet & Presentation Night on Saturday evening.

The award is just reward for lock forward Scheid, an outstanding club stalwart who has enjoyed possibly his best season on field. For back rower Baker it was his second Player of the Year award, having won Wattles top honour last year. The Shield, which was first awarded in 1975, was presented by Clifton Courier owner Mr Ted Rodgers. The award features 37

## OUR PAST IS OUR FUTURE

The Allora Historical Society is bringing the past to life at a Demonstration, Display and Yesteryear Fashion Parade & Market Day on Saturday, 22nd October.

Society members are working feverishly to have old farm machinery in working order. Among the machinery that will be operated are the Thresher, Corn Sheller, Corn Planter, Cracker, Roller Mill that are part of the Allora Museum collection.

Society members David Bennington and Graham have spent many hours restoring an old sulky that once belonged to Jack Gwynne.

Other society members are bringing along privately owned cars trucks and tractors. Long time members Olive Shooter and Phyllis Shooter are putting together a collection of clothing items to be paraded on the day. Olive and Phyllis would welcome volunteers to be models.

Olive will also demonstrate old time household appliances and show how butter was made.

Other demonstrations include wood working planes and spinning and weaving. A number of Car Clubs will make to journey to Allora and the cars will be on display.

Attractions for the children are an animal nursery and billy goat rides.

The Warwick & District Country Music Association will provide music throughout the day.

Locals Harry Gwynne and Glennis Bennington will have their quality crafts for sale. Other stalls include jams and pickles, giftware, plants, second hand books and dvds, dance costumes model tractors and goat milk products.

This will be the first time for many years that the Old Shire Hall has been opened to the public. People will be able to view displays set up on the ground floor and tours will be conducted of the upstairs area holding the research files, photos,

**Feedback on proposed local laws closes Friday**

Your opportunity to review the proposed region-wide local laws and subordinate laws for the Southern Downs Region closes at 5pm this Friday 14 October 2011.

The laws cover a wide range of administrative and regulatory roles and functions such as pest control, animal management and parking.

The proposed region-wide laws will replace the previous Stanthorpe Shire and Warwick Shire laws which expire on 31 December 2011.

Council is proposing to make two of the former Warwick Shire Council local laws apply to the whole region, while the other proposed laws will be new.

Anyone wishing to provide feedback should do so by this Friday. All submissions should be in writing and should state the grounds of the submission and the facts and circumstances relied upon in support of the grounds.

Copies of the laws are available for inspection and purchase from Council offices at Warwick, Stanthorpe and Allora and on its website at [www.southerndowns.qld.gov.au](http://www.southerndowns.qld.gov.au)

**BAD JOKE OF THE WEEK**

Two seagulls were flying over the beach at a seaside resort one boiling hot summer afternoon.

Every way they looked, the beach was so packed full of people there wasn't a speck of sand to be seen.

"Ah," said one to the other contemptuously, "takes all the skill out of it, doesn't it?"

**Letter to the Editor...**

Dear Sir,

"There are lies, damned lies and statistics" - I would add a fourth - "and Xmas". Soon now, adults will be telling littlies in prose and song, "Be good for goodness sake". Why? "Santa Claws is coming to town".

Being good must include being truthful. Does it make sense

telling kids to be honest while telling lies? I wouldn't mind so much if they'd leave "Jesus" out of it. He is emphatically not the reason for the season.

A little googling will show He never told us to observe his birthday, and anyway, He was born in September, aptly at the time of the Jewish Feast of Trumpets. He has nothing to do with it and neither should any self respecting person.

international issues in water quality monitoring and water quality improvement planning. He has travelled throughout Australia and the Philippines to monitor and improve water quality including in the catchments of the Great Barrier Reef World Heritage Area.

A strong interest in international development has taken him to East Timor, Papua New Guinea, Vanuatu, China, Thailand, Burma and remote Australia.

This year Mr Mitchell was part of the Project Catalyst Team which won a Banksia Award and a Queensland Premiers Sustainability Award and was a finalist in the 2011 National River Prize.

Condamine Alliance Chief Executive Officer Phil McCullough said attracting the expertise of Mr Mitchell was a major coup for Toowoomba and the greater region.

"We are extremely pleased to welcome Carl onboard," Mr McCullough said.

"His experience and expertise will significantly add to the great work our community does for the protection of the catchment," he said.

"Carl's enthusiasm and know-how will help us achieve the natural resource management outcomes we are committed to deliver for our catchment's future."

## St. Pat's Host State Titles

Spokesman Paul Morris is anticipating a big crowd this Friday evening in the grounds of Allora's St. Patrick's School for St. Patrick's Parish Fete. The annual fete is a popular event on the Allora social calendar, and all the more special this year given the recent Parish centenary celebrations and the Fete's famous sheaf pitch event assuming State honours.

With a little over 24 hours before the sheaf pitching is scheduled to start, no doubt competitors have embarked on some training, or at least thought about it. The sheaf pitching is a tradition synonymous with the Fete, pitchers testing their brawn as they attempt to hurl a 4 kg straw stuffed bag over a horizontal bar above the competitor's head with a pitch fork. While a popular event at Fairs, Fete's & Shows in Ireland & Australia, the sheaf pitch has its beginnings as a traditional Scottish agricultural sport.

The St. Patrick's Fete sheaf pitch this year carries Queensland Championship honours, including generous prize money and silverware sponsored by Glenmar Fuels and Black Toyota, Warwick. The Fete has seen the emergence of some legendary local pitchers, John Cowley, John Maher, Max & Brian Phelan names that have featured in the winner's circles in past years, conjuring up memories of outstanding performances. Jason Denny is a champion of recent times and is looking forward to taking on the best the district can muster on the night. Jason is coordinating the event this year, which features an "open event, and also junior & ladies events".

The tradition is continuing, with many of the current generation learning their skills from past masters such as Max Phelan. Max's son John Phelan, the current State title holder, is an uncertain starter at this stage, but stars of recent years such as Jason Denny, John Maher, Wayne Lyons & Simon Doyle will all be in the mix.

The "Anything Goes" event is another challenge that has evolved as a feature of the fete for well over a decade. Teams battle their way through an arduous course that is always a highlight of the night. Be sure to have your team organized ready for the Friday night action ahead.

Fete committee Secretary Monique Bryson has been overwhelmed by the support the fete has received in the lead up to the event. A lengthy list of sponsors have committed to supporting the event including Glenmar Fuels, Black Toyota, Clifton Auto Ag Repairs, Wilson & Rigby Motor Body Repairs, Whites Garage, Denny's Engineering & Welding, Barlow Accountants, Paul Ashton & Assoc., Carey Bros. Butchers, Allora Butchery, Blue Cow Hotel and Olsens Produce, Warwick

## Award winning scientist swaps reef for river

An award-winning water scientist has swapped the Great Barrier Reef for the Condamine river in south west Queensland to take up a leading water role.

Carl Mitchell moved from Mackay in north Queensland to be the new Water Leader at Condamine Alliance in Toowoomba. His role will involve overseeing the entire water projects, funding and improvement works program for the Condamine catchment which covers 2.75 million hectares and includes the 500 kilometre-long Condamine River and its many tributaries. "I am very excited about this new chapter in my career and how I might contribute to protecting and improving the catchment," Mr Mitchell said.

"This region is a rich and diverse ecosystem which is well-known for its rivers and iconic fish species such as the Murray cod," he said.

"It is a privilege to work for an organisation and amongst a community that recognises the significant role the catchment and its waterways plays in the health and vitality of this region." The water quality scientist and river management specialist was previously the water projects manager at the Mackay Whitsunday Natural Resource Management Group.

He has extensive experience across local, state and

The Golden Jubilee of the Victoria Hill State School was celebrated on Saturday, 14th October, 1961. The school had been officially opened on the 23rd July, 1911, with Miss Mary Rauchle as the first head teacher. The school was closed on the 31st December, 1963, and the remaining pupils were conveyed by bus to Allora and Clifton schools.

Most of those educated in Queensland State Schools in the 1940's, 50's and early 60's would not realize that the syllabus used, was prepared by a man who, in 1884, began his 52 year teaching career as a 14 year old pupil teacher at the Allora State School. Mr. B. J. "Barney" McKenna resigned from his position as Queensland Director of Education in October 1936 to take on the task of overseeing the preparation of a new syllabus for Queensland primary, intermediate and rural schools. In 1889, after five years at Allora, Mr. McKenna was transferred to the Brisbane Central School as an assistant teacher. His appointment as a district inspector in 1914 followed his service as head teacher of several Brisbane district schools. In that capacity he visited many parts of the State until his promotion to acting chief inspector in 1922. His appointment as Under Secretary for Education, the former title for the Director of Education, occurred later in the same

year. In that capacity he was responsible for the setting up of the Queensland Correspondence School. In his letter appointing Mr. McKenna to position of preparing the new syllabus, the Minister of Education conveyed his own thanks, and that of the Government's, for the work that Mr. McKenna had done for Queensland education throughout his long teaching career.

**Creamery Bridge Opens**

The Creamery Bridge at Talgai West was officially opened on the 4th October, 1911. The opening of the bridge meant that the seven tenant dairy farmers of the Scottish Australian Investment Company who lived on the western side of the

creek were no longer prevented from delivering their cream in times of flood. The bridge was financed to the cost of over £300 by the S. A. I. Co. on the instigation of the manager, Mr. Percy Young, the contractor being Mr. R. Fraser.

Mrs. Young was presented with a pair of silver scissors and given the task of cutting the ribbon and declaring the bridge open. Mr. and Mrs. R. Frizzell, the oldest dairy tenants on Talgai West, were given the honour of being the first across the bridge. They were followed by Mr. Young and Mr. and Mrs. George Turkington. The guests then sat down to a plentiful spread in a marquee erected close to the bridge. Numerous toasts were drunk.

coordinating Wattles Princess/Ambassador Quests, with the Lex Ellwood Memorial Trophy as Supporters of the Year. Shane Webcke presented Brady Glass with the Tom Webcke Memorial Trophy as Wattles Clubman of the year. Special guests and presenters for the evening included current Penrith Panthers back Travis Burns, ex International & Brisbane Bronco's star Shane Webcke, former International Greg Platz, all former Wattles players, and QRL Juniors President Mr Geoff Orman.

Club President Barry Glass presented a report to over 220 guests, supporters & players who filled the Allora Community Hall, focusing on a very busy year for Wattles, "a very successful year". The President forecast "a bigger and better year in 2012 for the Wattles "Warriors" with the ongoing support of old and new members, players, sponsors and supporters". Another highlight of the night was a 20 year reunion of Wattles 1991 Under 18 Premiership winning side that included Shane Webcke. The team was coached by Brendan Bange, Captain Cameron Hamblin introducing the side to the Banquet crowd on Saturday.

## Ladies Indoor Netball -

NJam won the B-grade semi-final by forfeit to go through to the Grand Final this week. In the A-grade semi-final, All Saints beat Mojors in a very close and hard-fought game, with only a four goal margin at full time.

The draw for the Grand Finals is as follows: 6.30pm - B-grade - NJam v. Allsorts; 7.30pm - A-grade - Pink Panthers v. All Saints.

Can all players arrive early, if possible, so team photos can be taken before their games. Don't forget our barbecue and presentation of trophies will be on as well, with the barbecue being free for players only. Come along and enjoy what should be an exciting night of netball (and squash!).

## Allora Down in Cricket Opener

The Allora cricket team's 2011/12 season started with a thud on Sunday at the Allora Oval, crashing to reigning Warwick Cricket Association reserve grade premiers

Wheatvale by seven wickets.

A bright light however was the efforts of sixteen year debutante Mitchell McLennon, top scoring for Allora with a gritty 27 not out batting in the middle order. He also collected a wicket finishing with 1 for 33 off four overs. After a successful junior career that featured numerous representative appearances, the young Willowvale based all rounder joins his brother Kris McLennon in the Allora line up, Kris having his first year in Allora colours in 2010/11.

Wheatvale skipper Chris Cantwell won the toss and sent Allora in to bat, the home side rattling up a total of 126 off a little over 24 overs. Wheatvale replied with 3 for 133 off 24 overs, opening batsman Brendon Malone a pillar in their performance carrying his bat through the innings resulting in a match winning 75 not out in the season opener. Fellow opening partner Paul Cantwell racked up a quick fire 24 including four boundaries before being caught by Steve Hughes off the bowling of Allora's Kris McLennan. Jarrod Collins hit a handy 21 batting at number three before being caught by Brady Glass off Allora debutante Mitchell McLennon.

Malone's was a calculating innings including five boundaries and two touring sixes, where he rarely appeared troubled by the Allora bowling attack.

Wicket keeper Aaron Vietheer opened the Allora innings with Steve Hughes, facing the first ball on Allora Oval for the new season off Wheatvale medium pacer A.J. McQueen. Vietheer showed some good touch with the bat last season and his valuable 24 on Sunday signals his intention of continuing that form over the next six months. When Vietheer was bowled by Neil Cantwell, Allora were in the grip of a batting collapse at 4 for 66. Skipper Cameron Masters steadied the ship to a degree with a handy 26. Nick Morris showed experience and patience beyond his years with a steady 20, adding 33 in a partnership with Mitchell McLennon.

A.J. McQueen inflicted much of the damage on the Allora batting line-up with 4 for 26 off 5.3 overs, including the scalps of experienced campaigners Steve Hughes, Brodie Frizzell, Scott Sparksman & Brady Glass.

Allora's bowling honours went to Steve Hughes with 1 for 7 off three overs.

Allora batting: Aaron Vietheer 24, Steve Hughes 4, Brodie Frizzell 1, Adam May 1, Cameron Masters 26, Kris McLennan 1, Mitchell McLennan 27 not out, Nick Morris 20, Scott Sparksman 8, Lauchlan Hoey 0, Brady Glass 0.

Allora bowling: Brodie Frizzell 4-0-0-22, Adam May 4-0-0-15, Brady Glass 3-0-0-16, Kris McLennan 4-0-1-25, Mitchell McLennan 4-0-1-33, Steve Hughes 3-0-1-7, Scott Sparksman 1-0-0-2, Lauchlan Hoey 1-0-0-10.

This weekend Allora travel to Inglewood to take on the local side. Inglewood are the current Warwick Cricket Association reigning A Grade Premiers. Allora has returned victorious on both their visits to Inglewood in recent seasons, and will be hoping to continue the trend on Saturday. Like Allora, Inglewood are coming off a first round defeat, after they were beaten by Maryvale by six wickets on Sunday. Players will be notified of team and travel arrangements later this week.
